

**GEORGIA ORTHOPAEDIC TRAUMA INSTITUTE  
MEDICAL CENTER OF CENTRAL GEORGIA  
CURRICULUM VITAE**

**NAME:** Lawrence Xavier Webb, M.D.

**ADDRESS:**

RESIDENCE:

4546 Old Club Road  
Macon, Georgia 31210-4738  
Telephone: (478) 257-6494

BUSINESS:

Georgia Institute of Orthopaedic Trauma  
Medical Center of Central Georgia  
840 Pine Street, Suite 500  
Macon, Georgia  
Telephone: (478) 633-8682

**PERSONAL INFORMATION:**

BIRTHPLACE: Brooklyn, New York

BIRTH DATE: March 31, 1950

CITIZENSHIP: United States of America

MARITAL STATUS: Married

SPOUSE'S NAME: Sandra

CHILDREN: Kathleen Anne (March 11, 1980)  
Meghan Mary (December 1, 1981)  
Bridget Eileen (January 9, 1983)  
Irene Caitlin (June 30, 1984)  
Lawrence Gregory (April 28, 1988)  
Kyle Patrick (November 22, 1992)

**EDUCATION:**

1968-1972	Rutgers College New Brunswick, New Jersey A. B. (Biological Sciences)
1973-1976	Kasturba Medical College Manipal, India
1976-1978	Temple University Medical School Philadelphia, Pennsylvania M. D.

**POSTDOCTORAL TRAINING:**

1978-1979	North Carolina Baptist Hospital Winston-Salem, North Carolina General Surgical Internship
1979-1983	North Carolina Baptist Hospital Winston-Salem, North Carolina Orthopaedic Surgery Residency
1983-1984	Harborview Hospital University of Washington Seattle, Washington Fellow in the Science of Polytrauma

**UNIFORMED SERVICE:**

February 1985 - June 1989	United States Naval Reserves Lieutenant Commander
July 1, 1989	United States Naval Reserves Commander
August 1990- December 1990	Active Service-Operation Desert Shield United States Navy
December 1990- April 1991	Active Service-Operation Desert Storm United States Navy
April 1991- July 1993	United States Naval Reserves Commander

**PROFESSIONAL LICENSURE:**

1979	North Carolina State Medical License, #23803
1985	South Carolina State Medical License, #12231
2009	Georgia State Medical License, #063230

**SPECIALTY CERTIFICATION:**

1986	Diplomat American Board of Orthopaedic Surgery
07/26/86 - 12/31/96	Certified, American Board of Orthopaedic Surgery
01/01/97 - 12/31/06	Recertified, American Board of Orthopaedic Surgery
01/01/07 - 12/31/16	Recertified, American Board of Orthopaedic Surgery

**SUBSPECIALTY TRAINING:**

1984	Fellow-Orthopaedic Traumatology Harborview Medical Center University of Washington Seattle, Washington
1985	Instructor Advanced Trauma and Life Support Course North Carolina Baptist Hospital Winston-Salem, North Carolina 27157
1987	Instructor Advanced Trauma and Life Support Course North Carolina Baptist Hospital Winston-Salem, North Carolina 27157
1989	Instructor Advanced Trauma and Life Support Course North Carolina Baptist Hospital Winston-Salem, North Carolina 27157
1992	Instructor Advanced Trauma and Life Support Instructors Course North Carolina Baptist Hospital Winston-Salem, North Carolina 27157
1992	Instructor Advanced Trauma and Life Support Course North Carolina Baptist Hospital Winston-Salem, North Carolina 27157

**SPECIALTY CERTIFICATION:** (Continued):

SUBSPECIALTY TRAINING:

1993	Instructor Advanced Trauma and Life Support Course North Carolina Baptist Hospital Winston-Salem, North Carolina 27157
1994	Instructor Advanced Trauma and Life Support Course North Carolina Baptist Hospital Winston-Salem, North Carolina 27157
1996	Instructor Advanced Trauma and Life Support Course North Carolina Baptist Hospital Winston-Salem, North Carolina 27157

**EMPLOYMENT:**

ACADEMIC APPOINTMENTS:

1984	Instructor Department of Orthopaedic Surgery Bowman Gray School of Medicine Winston-Salem, North Carolina
1985	Assistant Professor Department of Orthopaedic Surgery Bowman Gray School of Medicine Winston-Salem, North Carolina
1989	Associate Professor Department of Orthopaedic Surgery Bowman Gray School of Medicine Winston-Salem, North Carolina
1994	Professor Department of Orthopaedic Surgery Bowman Gray School of Medicine Winston-Salem, North Carolina
2001	Professor Department of Plastic/Reconstructive Surgery Bowman Gray School of Medicine Winston-Salem, North Carolina
2005	Associate Professor Institute of Regenerative Medicine at Wake Forest University School of Medicine Winston-Salem, North Carolina (Cross appointment with Orthopaedic Surgery & Plastic & Reconstructive Surgery)
2009- Present	Professor Emeritus Department of Orthopaedic Surgery Wake Forest University School of Medicine Winston-Salem, North Carolina
September 2009 - Present	Professor of Surgery Department of Orthopaedic Trauma Mercer University School of Medicine Macon, Georgia

HOSPITAL STAFF APPOINTMENTS:

November 1987	Courtesy Staff Forsyth Memorial Hospital Winston-Salem, North Carolina
July 1988	Portsmouth Naval Hospital Portsmouth, Virginia
August 1989-April 1990	Camp Lejeune Naval Hospital Jacksonville, North Carolina
August 1990-April 1991	Camp Lejeune Naval Hospital Jacksonville, North Carolina
August 1993	Stokes-Reynolds Medical Center King, North Carolina
July 1994	Hoots Memorial Hospital Yadkinville, North Carolina
1994-2004	Associate Chief of Professional Services North Carolina Baptist Hospital Wake Forest University Medical School Winston-Salem, North Carolina
2004 - 2009	Active Staff Baptist Health Hospital Wake Forest University Medical School Winston-Salem, North Carolina
September 2009-Present	Active Staff Medical Center of Central Georgia Macon, Georgia
September 2009-July 2010	Vice Chairman Georgia Orthopaedic Trauma Institute Macon, Georgia
July 2010-Present	Chairman Georgia Orthopaedic Trauma Institute Macon, Georgia

COURSE FACULTY:

September 1985	Sports Medicine Symposium Hilton Head Hospitals Hilton Head, South Carolina
November 1985	Advanced Trauma Life Support Course (Committee on Trauma American College of Surgeons) Bowman Gray School of Medicine Winston-Salem, North Carolina
May 1986	3rd. Annual Meeting Southern Orthopaedic Association Hot Springs, Virginia
October 1986	North Carolina Orthopaedic Association Asheville, North Carolina
November 1986	Southern Medical Association Annual Scientific Assembly Atlanta, Georgia
February 1987	1st. Annual Bowman Gray Orthopaedic Bioskills - Residents Course Winston-Salem, North Carolina
April 1987	Bowman Gray Orthopaedic Alumni Association St. Simon's Island, Georgia
May 1987	Fourth Annual Meeting Southern Orthopaedic Association Hamilton, Bermuda
September 1987	Association for the Study of Internal Fixation (AO) Basic Course Ft. Lauderdale, Florida
January 1988	Bowman Gray Orthopaedic 2nd. Annual Bioskills Residents Course Winston-Salem, North Carolina
February 1988	55th Annual Meeting American Academy of Orthopaedic Surgeons Atlanta, Georgia

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

February 1988	ATLS Course Faculty Bowman Gray School of Medicine Winston-Salem, North Carolina
February 1988	Bowman Gray School of Medicine Surgical Society Wake Forest University Winston-Salem, North Carolina

COURSE FACULTY

April 1988	Association for the Study of Internal Fixation (AO) Basic Course Jackson, Mississippi
June 1988	Association for the Study of Internal Fixation (AO) Nurses Course Forsyth Memorial Hospital Winston-Salem, North Carolina
September 1988	North Carolina Orthopaedic Association Charleston, South Carolina
October 1988	Orthopaedic Trauma Association Dallas, Texas
January 1989	Bowman Gray Orthopaedic Bioskills Residents Course Winston-Salem, North Carolina
April 1989	Bowman Gray Orthopaedic Alumni Association Isle of Palms, South Carolina
May 1989	Southern Orthopaedic Association Antigua, West Indies
August 1989	XIII Federative International Congress of Anatomy Rio De Janeiro , Brazil
August 1989	External Fixation Course University of Louisville Louisville, Kentucky

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

September 1989	Association for the Study of Internal Fixation (AO) Basic Course Jacksonville, Florida
October 1989	ATLS Course Faculty Bowman Gray School of Medicine Winston-Salem, North Carolina
October 1989	Orthopaedic Trauma Association Philadelphia, Pennsylvania
January 1990	Bio-Skills Workshop Bowman Gray School of Medicine Winston-Salem, North Carolina
February 1990	57th Annual Meeting American Academy of Orthopaedic Surgeons New Orleans, Louisiana
March 1990	Miller Orthopaedic Clinic Charlotte, North Carolina
March 1990	Association for the Study of Internal Fixation (AO) Basic Course Monterey, California
March 1990	Association for the Study of Internal Fixation (AO) Advanced Course Monterey, California
April 1990	Gamma Nail Faculty Baylor University Houston, Texas
May 1990	Gamma Nail Faculty Emory University Medical Center Atlanta, Georgia
May 1990	Bowman Gray Orthopaedic Alumni Myrtle Beach, South Carolina

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

February 1991	Bowman Gray School of Medicine & Carolina Medical Center Resident's Bio-Skills Workshop Statesville, North Carolina
April 1991	Association for the Study of Internal Fixation (AO) Basic Course Marco Island, Florida
July 1991	Portsmouth Naval Hospital Residents' Course Portsmouth, Virginia
September 1991	North Carolina Orthopaedic Association Moderator-Session on Trauma Wilmington, North Carolina
October 1991	Association for the Study of Internal Fixation (AO) Residents' Course New York, New York
December 1991	Current Concept in Trauma Care A.I.M. Femoral Nail Symposium Deer Valley, Utah
January 1992	Bowman Gray School of Medicine and Carolinas Medical Center Southeastern Fracture Symposium First Annual Meeting High Point, North Carolina
February 1992	59th Annual Meeting American Academy of Orthopaedic Surgeons Washington, D.C.
March 1992	Association for the Study of Internal Fixation (AO) Basic Course Sun Valley, Idaho
March 1992	Association for the Study of Internal Fixation (AO) Advanced Course Sun Valley, Idaho

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY

April 1992	Trauma Symposium Ace Medical Los Angeles, California
May 1992	Association for the Study of Internal Fixation (AO) Pelvis and Acetabulum Course Chicago, Illinois
June 1992	ATLS Instruction Winston-Salem, North Carolina
September 1992	University of Virginia Residents' Course Charlottesville, Virginia
October 1992	Association for the Study of Internal Fixation (AO) Basic Operating Room Personnel Course Seattle, Washington
October 1992	Association for the Study of Internal Fixation (AO) Residents' Basic Course Seattle, Washington
October 1992	Orthopaedic Trauma Association Residents' Basic Course
October 1992	University of Wisconsin Madison, Wisconsin
November 1992	Georgia Orthopaedic Society Guest Speaker Atlanta, Georgia
December 1992	American Academy of Orthopaedic Surgeons Review and Update for Practicing Orthopaedic Surgeons Chicago, Illinois
January 1993	Southeastern Fracture Symposium Second Annual Meeting Charlotte, North Carolina

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

January 1993	American Academy of Orthopaedic Surgeons Upper Extremity Injuries in Athletes Vail, Colorado
February 1993	ATLS Course North Carolina Baptist Hospital/ Bowman Gray Medical Center Winston-Salem, North Carolina
February 1993	60th Annual Meeting American Academy of Orthopaedic Surgeons San Francisco, California
March 1993	University of Birmingham Guest Lecturer Birmingham, Alabama
May 1993	Association for the Study of Internal Fixation (AO) Basic Course Marco Island, Florida
May 1993	Association for the Study of Internal Fixation (AO) Advanced Course Marco Island, Florida
June 1993	Association for the Study of Internal Fixation (AO) Operating Room Personnel Course Williamsburg, Virginia
August 1993	Association for the Study of Internal Fixation (AO) Residents' Course San Antonio, Texas
September 1993	University of Maryland The Shock Trauma Center Guest Lecturer Baltimore, Maryland

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

September 1993	Orthopaedic Trauma Association New Orleans, Louisiana
October 1993	North Carolina Orthopaedic Meeting Pinehurst, North Carolina
October 1993	Eastern Orthopaedic Association Twenty-Fourth Annual Meeting Lake Buena Vista, Florida
January 1994	Southeastern Fracture Symposium Third Annual Meeting Raleigh, North Carolina
February 1994	ATLS Course Bowman Gray School of Medicine Winston-Salem, North Carolina
February 1994	American Academy of Orthopaedic Surgeons 61st. Annual Meeting New Orleans, Louisiana
March 1994	Bowman Gray School of Medicine Felde Hightower Memorial Lecture Series Winston-Salem, North Carolina
April 1994	Association for the Study of Internal Fixation (AO) Basic Residents' Course Phoenix, Arizona
April 1994	Association for the Study of Internal Fixation (AO) Advanced Residents' Course Phoenix, Arizona
May 1994	Bowman Gray Orthopaedic Alumni Association Annual Meeting Sea Island, Georgia

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

May 1994	Southeast Orthopaedic Trauma Update Vanderbilt University Nashville, Tennessee
June 1994	Association for the Study of Internal Fixation (AO) Operating Room Personnel Course Chattanooga, Tennessee
July 1994	American College of Surgeons North Carolina Chapter Myrtle Beach, South Carolina
August 1994	Association for the Study of Internal Fixation (AO) Basic Course of Operating Room Personnel Fort Walton Beach, Florida
August 1994	Association for the Study of Internal Fixation (AO) Advanced Course for Operating Room Personnel Baltimore, Maryland
September 1994	Orthopaedic Trauma Association Los Angeles, California
November 1994	Association for the Study of Internal Fixation Basic Residents' Course Charlotte, North Carolina
November 1994	Association for the Study of Internal Fixation (AO) Operating Room Personnel Course Charlotte, North Carolina
December 1994	Association for the Study of Internal Fixation (AO) Advanced Course Davos, Switzerland
December 1994	University of Vienna Guest Lecturer Vienna, Austria

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

January 1995	Southeastern Fracture Symposium Fourth Annual Meeting Greensboro, North Carolina
March 1995	Association for the Study of Internal Fixation (AO) Advanced Residents' Course Sun Valley, Idaho
March 1995	Association for the Study of Internal Fixation (AO) Advanced Residents' Course Sun Valley, Idaho
August 1995	Association for the Study of Internal Fixation (AO) Residents' Basic Course New Orleans, Louisiana
September 1995	Current Concepts in Fracture Management Hilton Head Island, South Carolina
September 1995	Orthopaedic Trauma Association Residents' Basic Fracture Course Tampa, Florida
January 1996	Southeastern Fracture Symposium Fifth Annual Meeting Greensboro, North Carolina
January 1996	A.O.R.N. Meeting Winston-Salem, North Carolina
March 1996	Association for the Study of Internal Fixation (AO) Basic and Advanced Courses Marco Island, Florida
March 1996	Bowman Gray Orthopaedic Alumni Association Orlando, Florida

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

May 1996	XXIII Congreso Del Cincuentenario De La Sociedad Mexicana De Orthopedia Mexico City, Mexico
August 1996	Association for the Study of Internal Fixation (AO) Basic and Advanced Courses
September 1996	Orthopaedic Trauma Association Basic Residents' Course Boston, Massachusetts
September 1996	Orthopaedic Trauma Association Annual Meeting Boston, Massachusetts
November 1996	AO/ASIF Advanced Symposium Principles of Managing Complex Fractures and Failed Internal Fixation San Francisco, California
December 1996	ATLS Course Bowman Gray School of Medicine Winston-Salem, North Carolina
January 1997	AO/ASIF Residents' Basic Course Reno, Nevada
May 1997	AO/ASIF Current Concepts in Fracture Management Course Colorado Springs, Colorado
May 1997	AO/ASIF Advanced Course on the Operative Treatment of Fractures and Nonunions Colorado Springs, Colorado

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

June 1997	AO/ASIF Residents' Basic Course Charlotte, North Carolina
June 1997	American Academy of Orthopaedic Surgeons Practical Techniques for Improved Fracture Management Rosemont, Illinois
October 1997	Orthopaedic Trauma Association OTA Residents' Course Louisville, Kentucky
January 1998	AO/ASIF Current Concepts in Fracture Management Advanced Course Toronto, Ontario, Canada
January 1998	Southeastern Fracture Symposium Sixth Annual Meeting Greensboro, North Carolina
February 1998	AO/ASIF Advanced Symposium: Principles of Managing Complex Fracture and Failed Internal Fixation San Francisco, California
March 1998	American Academy of Orthopaedic Surgeons 65th Annual Meeting New Orleans, Louisiana
April 1998	American Academy of Orthopaedic Surgeons Practical Techniques for Improved Fracture Management Rosemont, Illinois
May 1998	Temple University Guest Lecturer Philadelphia, Pennsylvania

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

June 1998	AO/ASIF Principles of Fracture Management Course and Advanced Controversies in Fracture Care Course Marco Island, Florida
September 1998	AAOS Summer Institute Rosemont, Illinois
January 1999	AO/ASIF Principles of Fracture Management Course Charlotte, North Carolina
May 1999	AO/ASIF Advanced Symposium: Failed Internal Fixation Course San Francisco, California
September 1999	AAOS Summer Institute Management of Complex Fracture Course Seattle, Washington
September 1999	AAOS Summer Institute Top 10 Course Seattle, Washington
October 1999	Orthopaedic Trauma Residents Basic Fracture Course Charlotte, North Carolina
October 1999	Orthopaedic Trauma Association 15th Annual Meeting Session IV- Femur Fracture Charlotte, North Carolina
December 1999	Trauma Update Course by Education Design New York, New York

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES: (Continued)**

COURSE FACULTY:

December 1999	AO/ASIF Course on Principles of Operative Fracture Treatment Davos, Switzerland
December 1999	AO/ASIF Course on Advances in Fracture Management Davos, Switzerland
December 1999	AO/ASIF Course on Complex Problems in Fracture Surgery Davos, Switzerland
January 2000	Southeastern Fracture Symposium Trauma Update Greensboro, North Carolina
March 2000	American Academy of Orthopaedic Surgeons 67th Annual Meeting Orlando, Florida
March 2000	AO/ASIF Principles of Fracture Management Course - Advanced Controversies in Fracture Care Colorado Springs, Colorado
April 2000	AO/ASIF Principles of Managing Complex Fractures and Failed Internal Fixation Key Largo, Florida
May 2000	Riva 2000 - Current perspectives in Fracture Management and Orthopaedic Reconstruction Riva del Garda, Italy
June 2000	Vacuum Assisted Closure (VAC) Meeting Hilton Head, South Carolina
August 2000	AO Advances in Fracture Management Reibeiro Preto, Brazil

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

September 2000	Top Ten Course AAOS Summer Institute Toronto, Canada
September 2000	Satelliten Symposium Trauma 2000 Progressives Wundmanagement Combine- 4th European Trauma Conference German Society of Trauma Surgeons Hanover, Germany
September 2000	Vacuum Assisted Closure for Wound Management Graylyn Conference Center Winston-Salem, North Carolina
October 2000	Basic Residents' Course Orthopaedic Trauma Association San Antonio, Texas
January 2001	15th Annual Trauma Update Orthopaedic Symposium Vail, Colorado
January 2001	Southeastern Fracture Symposium Greensboro, North Carolina
February 2001	Zimmer Update Meeting British Columbia, Canada
March 2001	AO/ASIF Residents' Course San Francisco, California
September 2001	Summer Institute San Francisco, California
October 2001	17th. Annual Meeting Orthopaedic Trauma Association San Diego, California

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

October 2001	2001 Trauma Update Course Irving, Texas
November 2001	Newer Approaches to Wound Care Meeting Trauma Update Meeting East Tennessee University Johnson City, Tennessee
December 2001	2001 Trauma Update Course by Education Design New York, New York
January 2002	Southeastern Fracture Symposium Nurses' Day Greensboro, North Carolina
January 2002	Southeastern Fracture Symposium Residents' Course Greensboro, North Carolina
January 2002	Trauma Update Course Vail, Colorado
February 2002	AAOS Meeting Zimmer Meeting Dallas, Texas
March 2002	Temple University Guest Lecturer Philadelphia, Pennsylvania
April 2002	University of Florida Guest Lecturer Gainesville, Florida
May 2002	Trauma Update Meeting Philadelphia, Pennsylvania

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

August 2002	32nd Annual Meeting South Carolina Orthopaedic Association Kiawah Island, South Carolina
September 2002	Kinetics Concept, Inc. Vacuum Assisted Closure (VAC) Meeting Graylyn Conference Center Winston-Salem, North Carolina
October 2002	18th Annual Meeting Orthopaedic Trauma Association Toronto, Ontario, Canada
October 2002	32nd Annual Orthopaedic & Trauma Seminar Hennepin County Medical Center Minneapolis, Minnesota
November 2002	KCI Medical, Canada Latest Developments in Wound Care Meeting Toronto, Ontario, Canada
November 2002	Residents' Course Newport, Rhode Island
December 2002	Trauma Update Meeting New York, New York
January 2003	Southeastern Fracture Symposium Research Day Greensboro, North Carolina
January 2003	17th Annual Vail Orthopaedic Symposium Trauma Update Vail, Colorado
February 2003	Satellite Symposium American Academy of Orthopaedic Surgeons New Orleans, Louisiana

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

March 2003	U.S. Army Research Review Panel American Institute of Biological Sciences Fort Sam Houston, Texas
April 2003	Grand Rounds University of Pennsylvania Philadelphia, Pennsylvania
July 2003	KCI International Wound Symposium Meeting Salisbury, England
October 2003	Orthopaedic Trauma Association Residents' Basic Science Course
November 2003	33rd Annual Orthopaedic & Trauma Seminar Hennepin County Medical Center Minneapolis, Minnesota
December 2003	2003 Trauma Update Course New York, New York
January 2004	Southeastern Fracture Symposium Residents' Course, Nurses' Course and Research Symposium Greensboro, North Carolina
January 2004	18th Annual Vail Orthopaedic Symposium Trauma Update Vail, Colorado
March 2004	American Academy Orthopaedic Surgeons International Trauma Course San Francisco, California
March 2004	American Academy Orthopaedic Surgeons 2004 AAOS Annual Meeting San Francisco, California

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:** (Continued)

COURSE FACULTY:

April 2004	Kinetics Concepts Institute Advisory Board San Antonio, Texas
June 2004	Kinetics Concepts Institute General Surgeons Meeting Charleston, South Carolina
June/July 2004	Trauma Upper Extremity Meeting La Buena Vista, Florida
July 2004	Trauma Physician Advisory Group Indianapolis, Indiana
January 2005	Chairman, Southeastern Fracture Symposium Greensboro, North Carolina
January 2005	President, Southeastern Fracture Symposium Foundation Greensboro, North Carolina
January 2005	Zimmer Carolinas Annual Kick-off Meeting Charlotte, North Carolina
January 2005	19th Annual Vail Orthopaedic Symposium Vail, Colorado
February 2005	72nd Annual American Academy of Orthopaedic Surgeons Washington, DC
January 2006	Chairman, 19th Annual Southeastern Fracture Symposium Greensboro, North Carolina (January 5-7)
January 2006	President, Southeastern Fracture Consortium Foundation Greensboro, North Carolina
January 2006	2006 Vail Trauma Update Course Vail, CO (January 19-22)

COURSE FACULTY (continued):

January 2006	AAOS Extremity War Injuries Course Washington, DC (January 24-27)
March 2006	73rd Annual American Academy of Orthopaedic Surgeons Chicago, Illinois (March 22-25)
August 2006	Advanced Technology for Combat Casualty Care Conference St. Pete Beach, Florida (August 13-16)
October 2006	22nd Annual Orthopaedic Trauma Association Meeting Phoenix, Arizona (October 3-7)
November 2006	Residents Program- Trauma Course Newport, Rhode Island (November 3-5)
November 2006	Zimmer Trauma Update Course New York (Nov. 30- Dec. 3)
January 2007	Chairman, 20th Annual Southeastern Fracture Symposium Greensboro, North Carolina (Jan. 11-13)
January 2007	Faculty, 20th Annual Southeastern Fracture Symposium Greensboro, North Carolina (Jan. 11-13)
January 2007	21st Annual Vail Orthopaedic Symposium/ Advanced Trauma Update Vail, Colorado (Jan. 16-21)
May 2007	AAOS/OTA Pelvic and Acetabular Fractures Course Rosemont, Illinois (May 3-6)
October 2007	23 <sup>rd</sup> Annual Orthopaedic Trauma Association Meeting Boston, MA (October 16-21)
November 2007	2007 Residents Program Trauma Program Newport, Rhode Island (November 1-4)
January 2008	21st Annual Southeastern Fracture Symposium Charleston, South Carolina (January 16-19)

COURSE FACULTY (continued):

April 2008	8th Annual AAOS/OTA Orthopaedic Trauma #3216 St. Augustine, Florida (April 23-27)
October 2008	24th Annual Orthopaedic Trauma Association Meeting Denver, Colorado (October 13-19)
November 2008	Zimmer Trauma Update Course Atlanta, GA (November 14-15)
December 2008	AAOS/OTA Strategies & Tactics Rosemont, Illinois (December 4-6)
January 2009	22 <sup>nd</sup> Annual Southeastern Fracture Symposium Nashville, Tennessee
June 2009	Trauma Update Marriott Waterside Seattle Washington
September 2009	Shoulder Trauma Update Philadelphia, Pennsylvania
October 2009	OTA Annual Meeting Basic Science Conference Update on Infection
January 2010	23 <sup>rd</sup> Annual Southeastern Fracture Symposium Charlotte, N.C.
March 2010	AO Nurses Course Galleria Atlanta, Georgia
August 2010	9 <sup>th</sup> Annual Southeast Trauma Symposium Destin, Florida
November 2010	AAOS Board of Maintenance of Certification Preparation and Review San Francisco, California
January 2011	24 <sup>th</sup> Annual Southeastern Fracture Symposium Baltimore, Maryland

COURSE FACULTY (continued):

January 2011	Trauma Course Miami, Florida
February 2011	American Academy of Orthopaedic Surgeons Annual Meeting San Diego, California
February 2011	Trauma Course Atlanta, Georgia /New Orleans, Louisiana
May 2011	Atlanta Trauma Symposium - Annual Meeting Atlanta, Georgia
February 2012	25 <sup>th</sup> Annual Southeastern Fracture Symposium Raleigh, North Carolina
May 2012	Atlanta Trauma Symposium - Annual Meeting Atlanta, Georgia
January 2013	26 <sup>th</sup> Annual Southeastern Fracture Symposium Charleston, South Carolina
April 2013	Atlanta Trauma Symposium - Annual Meeting Atlanta, Georgia
January 2014	27 <sup>th</sup> Annual Southeastern Fracture Symposium Charlotte, North Carolina
April 2014	Atlanta Trauma Symposium - Annual Meeting Atlanta, Georgia

JOURNAL EDITOR:

2011	Editor of Trauma Section Atlas of Orthopaedic Procedures American Academy of Orthopaedic Surgeons
------	---------------------------------------------------------------------------------------------------------

JOURNAL EDITORIAL REVIEW BOARDS:

1984-1988	Consultant Reviewer Journal of Bone and Joint Surgery
1991	Consultant Reviewer

	Journal of Southern Orthopaedic Advances
1993	Consultant Reviewer Clinical Orthopaedics and Related Research
1995	Consultant Reviewer Journal of the American Academy of Orthopaedic Surgeons
1996	Consultant Reviewer Journal of Orthopaedic Research
1997	Consultant Reviewer Orthopaedics Today
1999	Editorial Board Journal of the Southern Orthopaedic Association
1999	Editorial Board AO Recommended Literature - A New Periodical Section on Trauma
2001	Editor- Section on Trauma Journal of the Southern Orthopaedic Association (On-Line Textbook)
2003-2004	Reviewer, Research Grant Peer Review Committee of the Orthopaedic Research and Education Foundation.
2005-2009	Consultant Editor Journal of Orthopaedic Trauma
2007-2008	Medical Editor American Academy of Orthopaedic Surgeons
2008-2009	Reviewer Journal of Trauma

VISITING PROFESSORSHIPS

July 1987	Portsmouth Naval Hospital Portsmouth, Virginia
July 1988	Portsmouth Naval Hospital Portsmouth, Virginia

August 1989	University of Louisville Louisville, Kentucky
October 1989	Emory University Atlanta, Georgia
July 1991	Portsmouth Naval Hospital Portsmouth, Virginia
April 1992	Portsmouth Naval Hospital Portsmouth, Virginia
September 1992	University of Virginia Guest Professor Charlottesville, Virginia

VISITING PROFESSORSHIPS (CONTINUED)

October 1992	University of Wisconsin Guest Professor Madison, Wisconsin
March 1993	University of Alabama, Birmingham Guest Professor Birmingham, Alabama
September 1993	University of Maryland Guest Professor Baltimore, Maryland
December 1994	University of Vienna Guest Professor Vienna, Austria
May 1998	Temple University Guest Professor Philadelphia, Pennsylvania
March 2002	Temple University Guest Professor Philadelphia, Pennsylvania
April 2002	University of Florida Guest Professor

Gainesville, Florida

October 2002	The Robert Merkow Memorial Lecturer 32nd Annual Orthopaedic and Trauma Seminar Hennepin County Medical Center Minneapolis, Minnesota
November 2002	KCI Medical Canada Guest Lecturer Toronto, Canada
April 2003	University of Pennsylvania Guest Lecturer at Grand Rounds Philadelphia, Pennsylvania

VISITING PROFESSORSHIPS (CONTINUED)

January 2006	Wake Medical Center Guest Lecturer Raleigh, North Carolina
February 2006	Triangle Orthopaedics Guest Lecturer Durham, North Carolina
April 2007	Washington Orthopaedic Society Guest Lecturer Arlington, VA
November 2008	Drexel University Guest Lecturer at Grand Rounds Philadelphia, Pennsylvania
December 2009	Department of Orthopaedics Grand Rounds University of Virginia Charlottesville, Virginia
January 2010	Guest Lecturer Stryker Lecture Medical Center of Central Georgia Macon, Georgia

**PROFESSIONAL INTERESTS:**

Orthopaedic Trauma  
Nonunion of Long Bones  
Malunion, Nonunions  
Intramedullary Nailing  
Pelvic Fractures and Acetabular Fractures  
Orthopaedic Oncology  
Biomaterials and Infection  
Rib Fractures/Fixation Flail Chest  
A.I.M. Nail Study  
Unreamed IM Nailing - Tibia and Femur  
Biomaterials and Infection  
Biomaterial Surfaces  
Osteomyelitis  
Antibiotic Resistance  
Limb Salvage  
New Techniques in Wound Debridement  
New Techniques in Wound Management  
Fracture Healing - Distal Femur  
Microemboli with Orthopaedic Procedures  
Locked Plate Fixation Enhancements Utilizing a New  
Bone Cement

**GRANTS:**

1986	National Institutes of Health Research Associate A Biomaterial Substrates - S. Epidermidis and Pathogenicity RO1 GM35939-03 (\$396,000)
1986	Lily Research Laboratories Co-Investigator The Effect of LY146032 on Surface Localized Microbial Populations (\$13,500)
1986	Association for the Study of Internal Fixation Psychomotor Skills Lab for Resident Education (\$2,498)
1989	Synthes USA Psychomotor Lab for Resident Training Association for the Study of Internal Fixation (\$17,399)

**GRANTS (continued):**

1990	Ormed Company Epigard Study (\$14,000)
1992	Glaxo, Inc. Biomaterial Adherent Bacteria Resistance to Zinacef (\$9,476.00)
1993	National Institute of Health Grant Salvage vs Amputation Following Limb Threatening Injury (\$32,000)
1993	Synthes AO/ASIF Basic Course Education Grant (\$1,000.00)
1993	Post-Treatment Outcomes in Patients with Femur Fractures (\$6,000)
1994	National Institute of Health Grant Salvage vs Amputation Following Limb Threatening Injury (\$32,000)
1995	National Institute of Health Grant Salvage vs Amputation Following Limb Threatening Injury (\$32,000)
1996	National Institute of Health Grant Salvage vs Amputation Following Limb Threatening Injury (\$32,000)
1997	National Institute of Health Grant Salvage vs Amputation Following Limb Threatening Injury (\$48,667)

**GRANTS (continued):**

- 1997 Osteotech, Inc.  
A Randomized Controlled Trial of a Specific Form  
of Demineralized Bone matrix (Graft on  
Demineralized Bone Matrix Putty) vs Autologous Bone  
in Long Bone Grafting Procedures  
(\$3,500)
- 1997 EBI  
A Clinical Study to Assess the Safety and Effectiveness  
of the EBR NICE 1000, Non-Invasive Compartment  
Evaluator for Diagnosis of Compartment Syndrome.  
(\$1,000.00)
- 1998 Orthofix  
Influence of Pulsed Electromagnetic Field on Antibiotic  
Susceptibility of Adherent Bacteria  
(\$30,673)
- 1998 Orthofix  
High Pressure Parallel Lavage for Wound Debridement:  
A Comparison with Traditional Methods.  
(\$22,495)
- 1999 Orthopaedic Trauma Association  
High Pressure Parallel Lavage for Wound Debridement:  
A Comparison with Traditional Methods.  
(\$20,000)
- 1999 Genetics Institute  
BMP for Tibial Fractures  
(\$5,440.00)
- 2000 Zimmer Corporation  
Educational Grant  
(\$12,000)
- 2000-2006 National Institute of Health  
Study to Prospectively Evaluate Reamed Intramedullary  
Nails in Tibial Fractures: A Multi-Center  
Randomized Controlled Trial (S.P.R.I.N.T.)  
(\$358,066).  
PI: Webb LX  
Co-Investigators: Harris M, Ruch D, Teasdall R

**GRANTS (continued):**

- 2000  
Organon  
Evaluation of Soft Tissue Effects and Wound Healing following Fondaparinux (Arixtra) in Post-Operative Hip Fractures.  
Pending (\$225,294).  
PI: Webb LX  
Co-Investigators: Koman LA, Harris J, Kilgus D, Pollock D, Smith T, Smith BP
- 2001-2005  
Synthes  
Clinical outcomes in Orthopaedic Trauma
- 2001-2006  
Hedrocele  
A Clinical Study of the Performance of the Implex Hedrocele Avascular Necrosis Intervention Implant (\$18,000)  
Co-Investigator: Webb LX
- 2001  
Organon  
Impact of Deep Venous Thrombosis Prophylaxis on Orthopaedic Procedures including Adult Reconstruction and Trauma: Longitudinal Analysis (\$233,508)  
PI: Webb LX  
Co-Investigators: Harris M, Koman LA, Kilgus D, Pollock D, Smith T, Smith BP  
(Pending)
- 2001  
Institutional National Research Service Award, NIAMS Training Orthopaedic Physician/Clinical Scientists (\$1,316,293 )  
Poehling GG, Koman LA, Payne RM, Smith T, Delbono O, Register T, Smith BP, Tan K, Webb LX, Carr J, Naughton M  
Co-Investigator: Webb LX
- 2002  
Zimmer  
Fellowship Educational Grant  
Support for the Orthopaedic Trauma Fellowship and an Orthopaedic Physician Scientist at Wake Forest University School of Medicine, Orthopaedics

**GRANTS (continued):**

- 2002-2007  
National Institute of Health  
Study to prospectively evaluate reamed and nonreamed intramedullary nails in tibial fractures: A multi-center randomized controlled trial (S.P.R.I.N.T.)  
PI: Webb LX- Subaward (parent PI - Bhandari)
- 2003-2004  
Orthopaedic Trauma Association (OTA)  
Intracellular *S. aureus*: A Proposed Mechanism for the Indolence of Osteomyelitis.  
(\$19,190)  
PI: Webb LX  
Co-Investigators: Harris M, Elsaidi G
- 2004-2006  
Orthopaedic Trauma Association (OTA)  
Expedited Review: Anterior inferior plate screw osteosynthesis as a treatment for clavicle non-unions  
PI: Jeray  
Co-Investigator: Webb LX
- 2004-2008  
Synthes  
Clinical outcomes in Orthopaedic Trauma  
This grant supports the Trauma Coordinator and understanding of clinical outcomes in orthopaedic trauma cases.
- 2005-2009  
Orthopaedic Research and Education Foundation (OREF)  
Clinical efficacy and cost implications of acute BMP-2 application in Grade IIIB Tibia Fractures  
This study assesses the quality of clinical choices for care and associated costs involved when utilizing the BMP-2 for Grade III Tibia fractures  
PI: Bosse M  
Co-Investigator: Webb LX
- 2005-2007  
OREF  
Prospective, randomized trial of external fixation versus internal fixation of distal tibia plafond fractures  
PI: Obremsky  
Co-Investigator: Webb LX

**GRANTS (continued):**

- 2005-2008  
Zimmer  
Fellowship Educational Grant  
This grant provides support for the  
Orthopaedic Trauma Fellowship program and an  
Orthopaedic Physician Scientist at Wake Forest  
University Health Sciences, Dept of Orthopaedics  
Role: Principal Investigator
- 2005-2010  
Toyota Motor Company  
Crash Injury Research and Engineering Network (CIREN)  
Study assessing the relationship between impact and  
injury  
Co-Investigator: Webb LX  
(\$2,125,450)
- 2005-2008  
Department of Defense (DOD)  
Self-managing the consequences of major limb trauma  
PI: MacKenzie EJ  
Role: Principal Investigator (parent PI - MacKenzie)
- 2006-2008  
OREF  
Targeting the glycocalyx (capsule/expolysaccharide)  
to reduce bone/implant related infections  
PI: Webb LX
- 2007  
OREF  
McMaster University  
SPRINT: Fracture gap sub-study adjudication request  
PI: Webb LX
- 2007-2008  
Department of the Army  
USA Medical Research Acquisition Activity  
Description: A protocol to improve outcomes of high  
energy, contaminated wounds  
PI: Webb LX
- 2007-2008  
Orthopaedic Trauma Association  
Description: The effect of donor age on the osteogenic  
potential of differentiated adipose-derived stromal cells  
utilized for regeneration of a segmental femur defect in  
the young adult rat model  
Role: Co-Investigator

**GRANTS (continued):**

2008-2009	WFUBMC Translational Science Institute Description: Team Pilot Award - The use of nanoparticles to target osteomyelitis Role: Faculty Team Investigator
2010	Doctors Research Group Study of Kryptonite Bone Cement (\$18,000)
2010	National Institute of Health #R01 Co-Investigator Brain vascular studies in cardiac and orthopedic surgery. Wake Forest School of Medicine (\$1,181,000)
2011	Synthes Fellowship Educational Grant Support for the Orthopaedic Trauma Fellowship at Georgia Orthopaedic Trauma Institute
2011-2012	Center for Orthopaedic Trauma Advancement Fellowship Grant (\$50,000) Support for the Orthopaedic Trauma Fellowship at Georgia Orthopaedic Trauma Institute
2012	Synthes Fellowship Educational Grant Support for the Orthopaedic Trauma Fellowship at Georgia Orthopaedic Trauma Institute
2012	National Institute of Health #AR055267 F.A.I.T.H. (Fixation using Alternative Implants for the Treatment of Hip Fractures) Medical Center Principal Investigator Grant Amount - >\$1million
2013-2014	Center for Orthopaedic Trauma Advancement Fellowship Grant (\$5,000) Support for the Orthopaedic Trauma Fellowship at Georgia Orthopaedic Trauma Institute

## PRESENTATIONS

Webb LX\*, Guruswami MN, Karanth KS. Action of luffa tuberosa on septal rats. VIII Annual Conference of the Indian Pharmacological Society. Madras, India, 1975.

Gristina AG\*, Romano RL, Convery FR, Webb LX. The trispherical total shoulder for total joint replacement of the upper extremity course. American Academy of Orthopaedic Surgeons. New York, New York, September, 1979.

Webb LX\*, Poehling GG, Ruderman R. Non-union complications of fractures of the scaphoid. The American Association for Hand Surgery. New Orleans, Louisiana, September, 1980.

Gristina AG\*, Webb LX. The trispherical total shoulder replacement. Inaugural International Conference on Surgery of the Shoulder. London, England, September 1980.

Gristina AG\*, Webb LX. The trispherical total shoulder. American College of Surgeons. Atlanta, Georgia, October 1980.

Webb LX\*, Poehling GG, Ruderman R. Non-union complications of fractures of the scaphoid. The Southern Medical Association's Section on Orthopaedic and Traumatic Surgery Meeting. San Antonio, Texas, November, 1980.

Gristina AG\*, Webb LX. The trispherical total shoulder for the total joint replacement of the upper extremity course. Sponsored by New York University. December, 1980.

Webb LX\*, Gristina AG, Price J. A ten year experience with the Austin-Moore endoprosthesis. 75th Annual Southern Medical Association Meeting, Section of Orthopaedic and Traumatic Surgery. New Orleans, Louisiana, November, 1981.

Webb LX\*, Rovere GD, Gristina AG, Vogel JM. Musculoskeletal injuries in theatrical dance students. Conference on Neuromuscular Performance in Dance. Winston-Salem, North Carolina, June, 1982.

Koman LA\*, Webb LX. The limping child. North Piedmont Pediatric Society. May 1982.

## PRESENTATIONS

Webb LX\*, Rovere G, Nicastro J, Johnson C. Recent experience in managing orthopaedic problems in the hemophilic patient. International Symposium on Orthopaedic Surgery in Hemophilia. AAOS Meeting. Los Angeles, California, January, 1983.

Webb LX\*, Rovere GD, Nicastro JF, Johnson C. Recent experience in managing orthopaedic problems in the hemophilia patient. Hemophilia Orthopaedic Conference. Anaheim, California, March 9, 1983.

Webb LX\*, Rovere GD, Nicastro JF, Johnson C. Recent experience in managing orthopaedic problems in the hemophilia patient. Bowman Gray Orthopaedic Alumni Association. Hot Springs, Virginia, April 16, 1983.

Webb LX\*, Gristina AG. Austin Moore endoprostheses: a long term study. Bowman Gray Orthopaedic Alumni Association. Hot Springs, Virginia, April 16, 1983.

Webb LX\*, Gristina AG, Klein A, Rovere GD. Roentgenographic changes in patients with Austin Moore prostheses. American Orthopaedic Association Residents' Conference. Memphis, Tennessee, May 1983.

Gristina AG\*, DeTorre JW, Webb LX. Arthroscopy of the shoulder. Brown University Course. Reconstructive Surgery in the Upper Extremity. Newport, Rhode Island, August 30, 1983.

Gristina AG\*, Webb LX, Klein A. The architectural chronology of radiographic macro-osseous ingrowth about proximal femoral endoprosthetic devices. Harborview Medical Center. Seattle, Washington, September 20, 1983.

Webb LX\*, Rovere GD, Gristina AG, Vogel JM. Musculoskeletal injuries in theatrical dance students. 77th Annual Southern Medical Association Meeting. Baltimore, Maryland, November, 1983.

Webb LX\*, Gristina AG, Rovere GD, Klein A. Roentgenographic observations of bony ingrowth and fixation in long-term follow-up of Austin Moore endoprostheses. 51st Annual Meeting. American Academy of Orthopaedic Surgeons, Atlanta, Georgia, February 11, 1984.

Webb LX\*, Hansen ST, Winquist RA\*. Management of delayed and nonunion of the femoral shaft. Southern Orthopaedic Association Meeting. Nassau, Bahamas, March 30, 1984.

Webb LX\*. The development of a trauma center. North Carolina Medical Society Annual Meeting (North Carolina Orthopaedic Association Scientific Session). Pinehurst, North Carolina, May 4, 1984.

## PRESENTATIONS

Webb LX\*. Interlocking femoral nailing: a preliminary experience. Bowman Gray Orthopaedic Alumni Association Meeting. Winston-Salem, North Carolina, April 20, 1985.

Webb LX\*. Lower extremity injury and prevention. Symposium on Personal Performance in Sports. Sponsored by Hilton Head Hospital. Hilton Head, South Carolina, September 26 and 27, 1985.

Webb LX\*. Orthopaedic hardware. North Carolina Chapter American College of Surgeons. Asheville, North Carolina, May 23, 1986.

Fowler HL\*, Webb LX. Unstable femoral shaft fractures - a comparison of traction and casting versus interlock nail. Southern Orthopaedic Association Third Annual Meeting. Hot Springs, Virginia, May 29, 1986.

Gristina AG\*, Webb LX, Kammire GC, Romano RL. The monospherical total shoulder. Societa Italiano di Anatomica 41, Covegno Nazionale. Tornio, Italy. September 29 - October 1, 1986.

Rush P\*, Webb LX, Gristina AG, Meredith J, Albertson D, Plonk G, Sterchi M. Use of Kimray-Greenfield filter in prevention of pulmonary emboli prior to open reduction and internal fixation of pelvic fractures. Annual Meeting of North Carolina Orthopaedic Association. Asheville, North Carolina, October 17, 1986.

DeTorre JB\*, Webb LX. Orthopaedic aspects of bicycle training and racing. Annual Meeting of North Carolina Orthopaedic Association. Asheville, North Carolina, October 18, 1986.

Webb LX, Rhyne AL\*, Wilson JR, Lange R, Hansen ST. Two hole fixation for traumatic symphysis pubic diastasis. Annual Scientific Assembly of Southern Medical Association. Atlanta, Georgia, November 9, 1986.

Webb LX\*, Williams MO, Miller ME. Treatment of ipsilateral hip and femoral shaft fractures using the Williams interlocking Y-nail. Annual Scientific Assembly of Southern Medical Association. Atlanta, Georgia, November 10, 1986.

Webb LX, Rhyne A\*, Hansen ST, Lange R, Wilson JR. Two hole plate fixation for traumatic symphysis pubic diastasis. American Academy of Orthopaedic Surgeons 54th Annual Meeting. San Francisco, California, January 1987.

Rush P\*, Gristina AG, Webb LX, Albertson D, Meredith J, Sterchi M, Plonk G. Use of Kimray-Geenfield filter in prevention of pulmonary emboli prior to open reduction and internal fixation of pelvic fractures. American Academy of Orthopaedic Surgeons 54th Annual Meeting. San Francisco, California, January 1987.

## PRESENTATIONS

Webb LX\*. First Annual Bowman Gray Orthopaedic Bioskills Course. Bowman Gray School of Medicine. Winston-Salem, North Carolina, February 1987.

Webb LX\*. Management of vertical shear injuries to the posterior pelvic ring. Bowman Gray Orthopaedic Alumni Association Meeting. St. Simon's Island, Georgia, April 24, 1987.

Howorth GL\*, Miller ME, Collins A, Webb LX. Complex femoral fractures: treatment with modified "Y" Küntscher nail. Fourth Annual Meeting of the Southern Orthopaedic Association. Hamilton, Bermuda, May 21, 1987.

Miller ME\*, Webb LX. Total use of locking intramedullary nails for treatment of infected nonunions in long bones. Fourth Annual Meeting of the Southern Orthopaedic Association. Hamilton, Bermuda, May 21, 1987.

Webb LX\*, Caldwell KM. Management of vertical shear pelvic injuries - a comparison of operative and nonoperative methods. Fourth Annual Meeting of the Southern Orthopaedic Association. Hamilton, Bermuda, May 21, 1987.

Webb LX\*. Second Annual Bowman Gray Orthopaedic Bioskills Course. Bowman Gray School of Medicine. Winston-Salem, North Carolina, January 8-11, 1988.

Webb LX\*, Miller ME, Ada JR. Infected nonunions of the tibia treated with locking intramedullary nails. 55th Annual American Academy of Orthopaedic Surgeons Meeting. Atlanta, Georgia, February, 1988.

Webb LX\*, Mayo KA, Lange RH, Hansen ST. Two hole plate stabilization of pubic symphysis diastasis. 55th Annual Academy of Orthopaedic Surgeons Meeting. Atlanta, Georgia, February, 1988.

Webb LX\*. Two hole plate stabilization of pubic symphysis diastasis. Poster Exhibit. 55th Annual American Academy of Orthopaedic Surgeons Meeting. Atlanta, Georgia, February, 1988.

Webb LX\*. Injuries in sports medicine. Guest Professor at Rowan Memorial Hospital. Salisbury, North Carolina, February, 1988.

Webb LX\*. Difficult pelvic fractures. Bowman Gray Surgical Symposium. Bowman Gray School of Medicine, Winston-Salem, North Carolina, February, 1988.

Webb LX\*. Intramedullary nailing of the tibia. Association for the Study of Internal Fixation. University of Jackson Medical Center. Jackson, Mississippi. April 25-29, 1988.

Webb LX\*. Plate fixation of femoral shaft. Association for the Study of Internal Fixation. University of Jackson Medical Center. Jackson, Mississippi. April 25-29, 1988.

## PRESENTATIONS

Webb LX\*. Fractures of the tibial plafond. Association for the Study of Internal Fixation. University of Jackson Medical Center. Jackson, Mississippi. April 25-29, 1988.

Webb LX\*. Presentation of instruments and screws for plate fixation. Association for the Study of Internal Fixation (AO/Basic Course) Nurses' Lecture. Forsyth Memorial Hospital. Winston-Salem, North Carolina, June 1988.

Webb LX\*. Indications for intramedullary nailing. Association for the Study of Internal Fixation (AO/Basic Course) Nurses' Lecture. Forsyth Memorial Hospital. Winston-Salem, North Carolina, June 1988.

Webb LX\*. Demonstration on dynamic hip screws. Association for the Study on Internal Fixation (AO/Basic Course) Nurses' Lecture. Forsyth Memorial Hospital. Winston-Salem, North Carolina, June 1988.

Webb LX\*. Broken bones. Nature Science Center (Bowman Gray Lecture Series). Winston-Salem, North Carolina, July 1988.

Webb LX\*. History of external fixation. Portsmouth Naval Base. Portsmouth, Virginia, August 1988.

Webb LX\*. Current techniques of external fixation. Portsmouth Naval Base. Portsmouth, Virginia, August 1988.

Webb LX\*. Current techniques of external fixation. Portsmouth Naval Base. Portsmouth, Virginia, August 1988.

Webb LX\*. Future of external fixation. Portsmouth Naval Hospital. Portsmouth, Virginia, August 1988.

Webb LX\*. Experience with open reduction and internal fixation of displaced acetabular fractures - a report of 51 cases with a minimum of one year follow-up. North Carolina Orthopaedic Association. Charleston, South Carolina, September 1988.

Webb LX\*. End results in patients with severe head injury and operatively managed acetabular fracture. Orthopaedic Trauma Association. Dallas, Texas, October 26-29, 1988.

Naylor P\*, Jennings R, Webb LX, Gristina AG. Antibiotic sensitivity of biomaterial adherent staphylococcus epidermidis and staphylococcus aureus. Orthopaedic Trauma Association. Dallas, Texas, October 26-29, 1988.

## PRESENTATIONS

Webb LX\*. Third Annual Bowman Gray Orthopaedic Bioskills Course. Bowman Gray School of Medicine. Winston-Salem, North Carolina, January 6-7, 1989.

Webb LX\*. End results in patients with severe head injury and an operatively managed acetabular fracture. 56th Annual American Academy of Orthopaedic Surgeons. Las Vegas, Nevada, February 11, 1989.

Webb LX\*. Poster exhibit. End results in patients with severe head injury and an operatively managed acetabular fracture. 56th Annual American Academy of Orthopaedic Surgeons. Las Vegas, Nevada, February 11, 1989.

Webb LX\*. Experience with open reduction internal fixation of acetabular fractures. Bowman Gray Orthopaedic Alumni Association. Isle of Palms, South Carolina, April 7, 1989.

Webb LX\*. Antibiotic sensitivity of biomaterial - adherent staphylococcus epidermidis and staphylococcus aureus. Southern Orthopaedic Association. Antigua, West Indies, May 4, 1989.

Webb LX\*. Classification and management of ankle fractures. Portsmouth Naval Hospital. Portsmouth, Virginia, July 1989.

Webb LX\*. Classification and management of distal tibial plafond fractures. Portsmouth Naval Hospital. Portsmouth, Virginia, July 1989.

Webb LX\*. Orthopaedic infection - the foreign body effect and osteomyelitis. Portsmouth Naval Hospital. Portsmouth, Virginia, July 1989.

Webb LX\*. Current concepts of biomaterials and infection. XIII Federative International Congress of Anatomy. Rio De Janeiro, Brazil, August 1989.

Webb LX\*. Current concepts of external fixation. University of Louisville. Louisville, Kentucky, August 1989

Webb LX\*. Plate contouring. University of Louisville. Louisville, Kentucky, August 1989.

Webb LX\*. Ankle fractures - osteosynthesis. University of Louisville. Louisville, Kentucky, August 1989.

Webb LX\*. Pilon fractures - osteosynthesis. University of Louisville. Louisville, Kentucky, August 1989.

## PRESENTATIONS

Webb LX\*. Complications of intramedullary nailing. University of Kentucky. Lexington, Kentucky, August 1989.

Webb LX\*. Ankle fractures - osteosynthesis. University of Kentucky. Lexington, Kentucky, August 1989.

Webb LX\*. Pilon fractures - osteosynthesis. University of Kentucky. Lexington, Kentucky, August 1989.

Webb LX\*. Shoulder fractures - diagnosis, classification, and management. University of Kentucky. Lexington, Kentucky, August 1989.

Webb LX\*. Infection of biomaterial and bone. The role of adherence in antibiotic resistance. Emory University. Atlanta, Georgia, October 3, 1989.

Lange RT, Mayo, Webb LX\*. Efficacy of the anterior approach for fixation of sacroiliac dislocations and fracture-dislocations. Orthopaedic Trauma Association. Philadelphia, Pennsylvania, October 16, 1989.

Webb LX\*. Fourth Annual Bowman Gray Orthopaedic Bioskills Course. Bowman Gray School of Medicine. Winston-Salem, North Carolina, January 4-7, 1990.

Webb LX\*. Poster Exhibit. Closed intramedullary nailing of the tibia without a fracture table - a simple technique. American Academy of Orthopaedic Surgeons. New Orleans, Louisiana, February 11, 1990.

Webb LX\*. Symposium of the Monticelli-Spinelli Study Group. 57th Annual Meeting. American Academy of Orthopaedic Surgeons. New Orleans, Louisiana, February 12, 1990.

Webb LX\*. External fixation. Miller Orthopaedic Clinic. Charlotte, North Carolina, March 9, 1990.

Webb LX\*. Dynamic hip screw for fractured hips. Miller Orthopaedic Clinic. Charlotte, North Carolina, March 9, 1990.

Webb LX\*. Screw design and function. Association for the Study of Internal Fixation (AO) Monterey Course. Monterey, California, March 25, 1990.

Webb LX\*. Plating femur indication and results. Association for the Study of Internal Fixation (AO) Monterey Course. Monterey, California, March 26, 1990.

Webb LX\*. Lag screw technique: tibia, cortical, and cancellous. Association for the Study of Internal Fixation (AO) Monterey Course. Monterey, California, March 26, 1990.

## PRESENTATIONS

Webb LX\*. DCP neutralization of the tibia. Association for the Study of Internal Fixation (AO) Monterey Course. Monterey, California, March 26, 1990.

Webb LX\*. External fixation of the tibia. Indication, techniques and results. Association for the Study of Internal Fixation (AO) Monterey Course. Monterey, California, March 27, 1990.

Webb LX.\* Practical exercise lab: external fixation of the tibia. Association for the Study of Internal Fixation (AO) Monterey Course. Monterey, California, March 27, 1990.

Webb LX\*, Naylor PT\*. Surgical techniques: pitfalls and complications of the gamma nail. Miller Orthopaedic Clinic. Charlotte, North Carolina, March 28, 1990.

Webb LX\*. Surgical techniques: pitfalls and complications of the gamma nail. Forsyth Memorial Hospital. Winston-Salem, North Carolina, April 4, 1990.

Webb LX\*. Indications and the use of the gamma nail. Baylor University Symposium. Houston, Texas, April 7, 1990.

Webb LX.\* Surgical technique for the gamma nail. Baylor University Symposium. Houston, Texas, April 7, 1990.

Webb LX\*. Surgical technique for the gamma nail. Emory University. Atlanta, Georgia, May 12, 1990.

Webb LX\*. Indications and the use of the gamma nail. Emory University. Atlanta, Georgia, May 12, 1990.

Webb LX\*. Gamma nailing of hip fractures. Bowman Gray Orthopaedic Alumni Meeting. Myrtle Beach, South Carolina, May 18, 1990.

Webb LX\*. Acetabular fractures. Bowman Gray Orthopaedic Alumni Meeting. Myrtle Beach, South Carolina, May 18, 1990.

Webb LX\*. Instruments and screws for plate fixation. Bowman Gray School of Medicine and Carolina Medical Center, Residents' Bioskills Workshop. Statesville, North Carolina, February 28, 1991.

Webb LX\*. Table instructor. Bowman Gray School of Medicine and Carolina Medical Center, Residents' Bioskills Workshop. Statesville, North Carolina, February 28-March 2, 1991.

## PRESENTATIONS

Webb LX\*. Tibial shaft fractures: IM nailing reamed vs unreamed, indications and methodology. Bowman Gray School of Medicine and Carolina Medical Center, Residents' Bioskills Workshop. Statesville, North Carolina, March 1, 1991.

Webb LX\*. Plate fixation. Bowman Gray School of Medicine and Carolina Medical Center, Residents' Bioskills Workshop. Statesville, North Carolina, March 2, 1991.

Webb LX\*. Biomaterials and infection. Grand Rounds, Naval Hospital Camp Lejeune Officers' Club, Camp Lejeune. Jacksonville, North Carolina, March 1991.

Webb LX\*. History of Marco Island. Association for the study of Internal Fixation (AO), Basic and Advanced Course. Marco Island, Florida, April 21, 1991.

Webb LX\*. Screw design and function. Association for the Study of Internal Fixation (AO), Basic and Advanced Course. Marco Island, Florida, April 21, 1991.

Webb LX\*. Moderator. Association for the Study of Internal Fixation (AO), Basic and Advanced Course. Marco Island, Florida, April 21, 1991.

Webb LX\*. Table instructor. Examples of indirect reduction. Association for the Study of Internal Fixation (AO), Basic and Advanced Course. Marco Island, Florida, April 24, 1991.

Webb LX\*. Bone infection - persisting. Association for the Study of Internal Fixation (AO), Basic and Advanced Course. Marco Island, Florida, April 26, 1991.

Webb LX\*. Residents' Case Presentations. Portsmouth Naval Hospital. Portsmouth, Virginia, July 26, 1991

Webb LX\*. Moderator. Session on trauma. North Carolina Orthopaedic Association. September 20, 1991.

Webb LX\*. Form and function of plates: contouring of plates. Association for the Study of Internal Fixation (AO). Residents' Basic Course. New York, New York, October 2, 1991.

Webb LX\*. Table Instructor. Association for the Study of Internal Fixation (AO). Residents' Basic Course/ New York, New York, October 2-6, 1991.

Webb LX\*. Classification of ankle fractures and indications for open reduction internal fixation. Association for the Study of Internal Fixation (AO). Residents' Basic Course. New York, New York, October 3, 1991.

Webb LX\*. Diaphyseal nonunions - techniques and indications. Association for the Study of Internal Fixation (AO). Resident's Basic Course. New York, New York, October 6, 1991.

## PRESENTATIONS

Webb LX\*. Clinical faculty - a prospective multi-center clinical trial of a new second generation titanium intramedullary femoral rod. 3rd. Annual Current Concepts in Trauma Care. Deer Valley, Utah, December 7, 1991.

Webb LX\*. Femoral neck fractures - anatomy, classification and prognosis. First Annual Southeastern Fracture Symposium. High Point, North Carolina, January 15, 1992.

Webb LX\*. Moderator. Distal femur session. First Annual Southeastern Fracture Symposium. High Point, North Carolina, January 15, 1992.

Webb LX\*. Co-Chairman, First Annual Southeastern Fracture Symposium. High Point, North Carolina, January 15, 1992.

Webb LX\*. Participant, Panel Discussion. Open tibial fractures, flaps, free grafts and bone transport. First Annual Southeastern Fracture Symposium. High Point, North Carolina, January 15, 1992.

Webb LX\*. Lisfranc fractures/dislocations. First Annual Southeastern Fracture Symposium. High Point, North Carolina, January 17, 1992.

Webb LX\*. Table instructor. Lisfranc fractures. First Annual Southeastern Fracture Symposium. High Point, North Carolina, January 17, 1992.

Webb LX\*. Comparative antibiotic resistance of a surface-colonizing-staphylococcus on biomaterials and dead cortical bone. 59th Annual Meeting. American Academy of Orthopaedic Surgeons. February 22, 1992.

Webb LX\*. Screw design and function. Association for the Study of Internal Fixation (AO) Basic Course, Sun Valley, Idaho, March 22, 1992.

Webb LX\*. Lab moderator. Dynamic compression plate (DCP) neutralization-tibia. Association for the Study of Internal Fixation (AO) Basic Course. Sun Valley, Idaho, March 23, 1992.

Webb LX\*. Symposium participant. Upper extremity fracture problems. Association for the Study of Internal Fixation (AO) Advanced Course. Sun Valley, Idaho, March 24, 1992.

Webb LX\*. Biomechanics of external fixation. Association for the Study of Internal Fixation (AO) Basic Course. Sun Valley, Idaho, March 25, 1992.

Webb LX\*. Symposium participant. Pelvis and hip fractures. Association for the Study of Internal Fixation (AO). Advanced Course. Sun Valley, Idaho, March 25, 1992.

## PRESENTATIONS

Webb LX\*. Symposium participant. Knee and foot. Association for the Study of Internal Fixation (AO). Advanced Course. Sun Valley, Idaho, March 27, 1992

Webb LX\*. Pathophysiology of infection and internal fixation. Association for the Study of Internal Fixation (AO). Advanced Course. Sun Valley, Idaho, March 27, 1992.

Webb LX\*. Compartment syndrome - pathophysiology diagnosis - management and complication. Orthopaedic Trauma Seminar. Ace Medical Company. Los Angeles, California, April 1, 1992.

Webb LX\*. Basic mechanics of screw and plate fixation. Orthopaedic Trauma Seminar. Ace Medical Company. Los Angeles, California, April 1, 1992.

Webb LX\*. Participant, Panel Discussion. Compartment syndrome. Orthopaedic Trauma Seminar. Ace Medical Company. Los Angeles, California, April 1, 1992.

Webb LX\*. Participant, Panel Discussion. Screw and plate fixation. Orthopaedic Trauma Seminar. Ace Medical Company. Los Angeles, California, April 1, 1992.

Webb LX\*. Participant, Panel Discussion. External and internal fixation of pelvic fractures. Orthopaedic Trauma Seminar. Ace Medical Company. Los Angeles, California, April 1, 1992.

Webb LX\*. Femoral shaft fractures. Orthopaedic Trauma Seminar. Ace Medical Company. Los Angeles, California, April 2, 1992.

Webb LX\*. Ipsilateral neck/shaft fractures. Orthopaedic Trauma Seminar. Ace Medical Company. Los Angeles, California, April 2, 1992.

Webb LX\*. Participant, Panel Discussion. Fractures of the femoral shaft. Orthopaedic Trauma Seminar. Ace Medical Company. Los Angeles, California, April 2, 1992.

Webb LX\*. Participant, Panel Discussion. Ipsilateral femoral shaft/neck fractures. Orthopaedic Trauma Seminar. Ace Medical Company. Los Angeles, California, April 2, 1992.

Webb LX\*. Guest Professor, Grand Rounds. Infection and biomaterials. Portsmouth Naval Hospital. Portsmouth, Virginia, April 13, 1992.

Webb LX\*. Association for the Study of Internal Fixation (AO) Pelvic and Acetabulum Fireside Course. Chicago, Illinois, May 1-2, 1992.

## PRESENTATIONS

Webb LX\*. Pelvic and acetabular fractures. Trauma Symposium, Durham Regional Hospital. Durham, North Carolina, May 16, 1992.

Webb LX\*. ATLS, Faculty, Instructor Course. Bowman Gray School of Medicine. Winston-Salem, North Carolina, June 6, 1992.

Webb LX\*. Dynamic compression hip screw, interfragmentary lag screw and neutralization plating. Residents' Workshop. Winston-Salem, North Carolina, June 15, 1992.

Webb LX\*. ATLS Course Faculty, Lecture on Extremity Trauma and Oral Examiner (moulage patient). June 23, 1992.

Webb LX\*. Dynamic hip screw and ankle fracture management. Residents' Workshop-Bioskills Course. Faculty, Bowman Gray School of Medicine. July 14, 1992.

Webb LX\*. External fixation biomechanics and special applications. University of Virginia, Charlottesville, Virginia, September 1, 1992.

Webb LX\*. Acetabular fractures. University of Virginia, Charlottesville, Virginia, September 1, 1992.

Webb LX\*, deAraujo W, Gordon ES, Holman J. Antibiotic resistance and adherent organisms. Orthopaedic Trauma Association Annual Meeting. Minneapolis, Minnesota, October 2, 1992.

Webb LX\*. Lag screw/interfragmentary compression: clinical applications and techniques. Association for the Study of Internal Fixation (AO) Residents' Basic Course. October 23, 1992.

Webb LX\*. Fireside Discussion Moderator. Association for the Study of Internal Fixation (AO). Residents Basic Course. October 23, 1992.

Webb LX\*. Lag screw technique - tibia, cannulated cancellous screws and dynamic compression plate (DCP) neutralization of the tibia. Association for the Study of Internal Fixation (AO). Residents' Basic Course. October 23, 1992.

Webb LX\*. Femoral neck fractures: classification, operative technique and results. Association for the Study of Internal Fixation (AO). Residents' Basic Course. October 25, 1992.

Webb LX\*. External fixation of the pelvis: techniques and indications. Association for the Study of Internal Fixation (AO). Residents' Basic Course. October 26, 1992.

## PRESENTATIONS

Webb LX\*. Biomaterials, metallurgy and implant fractures. Association for the Study of Internal Fixation (AO). Residents' Basic Course. October 25, 1992.

Webb LX\*. Guest Professor Lecturer. Biomaterial and infection. Orthopaedic Grand Rounds. University of Wisconsin. Madison, Wisconsin, October 28, 1992.

Webb LX\*. Open tibial fractures - techniques and timing of fixation. Medical Association of Georgia/Georgia Orthopaedic Society Combined Meeting, "Current Concepts in the Management of Tibial Fractures". November 22, 1992.

Webb LX\*. Lower extremity trauma, pelvic, acetabular fractures, complications. American Academy of Orthopaedic Surgeons Review and Update for Practicing Orthopaedic Surgeons. Chicago, Illinois, December 4-6, 1992.

Webb LX\*. Moderator, Southeastern Fracture Symposium, Session II. Charlotte, North Carolina, January 14, 1993.

Webb LX\*. Fireside Discussant. Southeastern Fracture Symposium. Charlotte, North Carolina, January 14, 1993.

Webb LX\*. Distal humeral intra-articular fracture: tricks of the trade. Southeastern Fracture Symposium, Charlotte, North Carolina, January 15, 1993.

Webb LX\*. Sports related fractures of the shoulder. American Academy of Orthopaedic Surgeons Upper Extremity Injuries in Athletes. Vail, Colorado, January 21, 1993.

Webb LX\*. Problem case presentation. American Academy of Orthopaedic Surgeons Upper Extremity Injuries in Athletes. Vail, Colorado, January 22, 1993.

Webb LX\*. Moderator January 22, 1993 Session. American Academy of Orthopaedic Surgeons Upper Extremity Injuries in Athletes. Vail, Colorado, January 22, 1993.

Webb LX\*. Sports related fractures of the elbow. American Academy of Orthopaedic Surgeons Upper Extremity Injuries in Athletes. Vail, Colorado, January 22, 1993.

Webb LX\*. Problem case presentation. American Academy of Orthopaedic Surgeons Upper Extremity Injuries. Vail, Colorado, January 23, 1993.

Webb LX\*. ATLS Course Faculty, Lecture on Extremity Trauma. North Carolina Baptist Hospital/ Bowman Gray Medical Center. Winston-Salem, North Carolina, February 6, 1993.

Webb LX\*. Enhancement of antibiotic resistance in surface adherent organisms an in vitro study. 60th Annual Meeting, American Academy of Orthopaedic Surgeons. February 19, 1993.

## PRESENTATIONS

Webb LX\*. Discussant, Paper # 152. 60th Annual Meeting, American Academy of Orthopaedic Surgeons. San Francisco, California, February 19, 1993.

Webb LX\*. Discussant, Paper # 153. 60th Annual Meeting, American Academy of Orthopaedic Surgeons. San Francisco, California, February 19, 1993.

Webb LX\*. Biomaterials, bone and infection. Guest Professor, University of Alabama, Birmingham, Grand Rounds. Birmingham, Alabama, March 27, 1993.

Webb, LX, Gordon ES\*, Holman JA. Poster Exhibit. Adherent organisms and antibiotic resistance - a factor in the persistent nature of bone and implant infection. Southern Connective Tissue Society. Twenty-Third Annual Meeting. Winston-Salem, North Carolina, April 30, 1993 .

Webb LX, Gordon ES\*, deAraujo W. Poster exhibit. Surface adherent staphylococci and enhancement of antibiotic resistance. Southern Connective Tissue Society, Twenty-third Annual Meeting. Winston-Salem, North Carolina, April 30, 1993.

Webb LX\*. The theory of indirect reduction. Association for the Study of Internal Fixation (AO) Advanced Course. Marco Island, Florida, May 3, 1993.

Webb LX\*. Small group discussion leader. Models of indirect reduction. Association for the Study of Internal Fixation (AO) Advance Course. Marco Island, Florida, May 3, 1993.

Webb LX\*. Small group discussion leader. "Complex fractures about the knee". Association for the Study of Internal Fixation (AO) Advanced Course. Marco Island, Florida, May 4, 1993.

Webb LX\*. Laboratory moderator. Tibial plateau and shaft malunion treatment with double osteotomy. Association for the Study of Internal Fixation (AO) Advanced Course. Marco Island, Florida, May 4, 1993.

Webb LX\*. Small group discussion leader. Proximal femoral fractures and nonunions. Association for the Study of Internal Fixation (AO) Advanced Course. Marco Island, Florida, May 5, 1993.

Webb LX\*. Fireside discussion leader. Association for the Study of Internal Fixation (AO) Basic Course. Marco Island, Florida, May 5, 1993.

Webb LX\*. Small group discussion leader. Pelvis and acetabular fractures. Association for the Study of Internal Fixation (AO) Basic Course. Marco Island, Florida, May 6, 1993.

Webb LX\*. Femoral shaft-nonunions. Association for the Study of Internal Fixation (AO) Combined Basic and Advanced Courses. Marco Island, Florida, May 7, 1993.

## PRESENTATIONS

Webb LX\*. Design and function of the basic bone screws. Internal fixation. Association for the Study of Internal Fixation (AO) Operating Room Personnel Course. Williamsburg, Virginia, June 5, 1993.

Webb LX\*. Indication for plating large bones, DCP, LC-DCP, large plate collection. Association for the Study of Internal Fixation (AO) Operating Room Personnel Course. Williamsburg, Virginia, June 5, 1993.

Webb LX\*. Lab instructor: Plate bending, neutralization plating (DCP OR LC-DCP). Association for the Study of Internal Fixation (AO) Operating Room Personnel. Williamsburg, Virginia, June 5, 1993.

Webb, LX\*. Fireside discussion leader, Association for the Study of Internal Fixation (AO) Residents' Basic Course. San Antonio, Texas, August 23, 1993.

Webb, LX\*. Fireside discussion leader, Association for the Study of Internal Fixation (AO) Residents' Basic Course. San Antonio, Texas, August 24, 1993.

Webb LX\*. Femoral neck fractures: classification, operative technique and results. Association for the Study of Internal Fixation (AO) Residents' Basic Course. San Antonio, Texas, August 25, 1993.

Webb LX\*. Fireside discussion leader, Association for the Study of Internal Fixation (AO) Residents' Basic Course. San Antonio, Texas, August 25, 1993.

Webb LX\*. External fixation of the pelvis: techniques and indications. Association for the Study of Internal Fixation (AO) Residents' Basic Course. San Antonio, Texas, August 26, 1993.

Webb LX\*. Fireside discussion leader, Association for the Study of Internal Fixation (AO) Residents' Basic Course. San Antonio, Texas, August 26, 1993.

Webb, LX\*. Moderator. Concluding Lectures. Association for the Study of Internal Fixation (AO) Residents' Basic Course. San Antonio, Texas, August 26, 1993.

Webb LX\*. Biomaterials, metallurgy and implant fractures. Association for the Study of Internal Fixation (AO) Residents' Basic Course. San Antonio, Texas, August 26, 1993.

Webb, LX\*. Infection in orthopaedic trauma patients. Guest Professor, University of Maryland, The Shock Trauma Center. Baltimore, Maryland, September 8, 1993.

## PRESENTATIONS

Webb, LX\*. Case presentations - orthopaedic trauma. Guest Professor, University of Maryland, The Shock Trauma Center. Baltimore, Maryland, September 8, 1993.

deAraujo W\*, Zaccaro D, Siegel DB, Webb LX. Poster Exhibit. Roentgenographic interpretation of fracture follow-up x-rays. Orthopaedic Trauma Association. New Orleans, Louisiana, September 22-24, 1993.

Ordway C\*, Ambrose T, Cole D, Henry S, Irvine G, Noffsinger M, Seligson D, Webb L., Yang E. A multi-center prospective study of a new interlocking femoral nail. Orthopaedic Trauma Association. New Orleans, Louisiana, September 22-24, 1993.

deAraujo W\*, Zaccaro D, Siegel DB, Webb LX. Poster Exhibit. Roentgenographic interpretation of fracture follow-up x-rays. North Carolina Orthopaedic Association. Pinehurst, North Carolina, October 8-9, 1993.

Moore RE\*, Pollock FE, Webb LX. Poster Exhibit. Percutaneous screw fixation of the fracture dislocations of the sacroiliac joint. North Carolina Orthopaedic Association. Pinehurst, North Carolina, October 8-9, 1993.

Webb, LX\*. Moderator on Trauma, North Carolina Orthopaedic Association. Pinehurst, North Carolina. October 9, 1993.

Gruber ME\*, Webb LX. Clinical outcome in patients undergoing nail removal following fractures of the femur. Poster Exhibit. North Carolina Orthopaedic Association. Pinehurst, North Carolina, October 9, 1993.

deAraujo W\*, Zaccaro D, Siegel DB, Webb LX. Roentgenographic interpretation of fracture follow-up x-rays. North Carolina Orthopaedic Association. Pinehurst, North Carolina, October 9, 1993.

Moore RE\*, Pollock FE, Webb LX. Percutaneous screw fixation of the fracture dislocations of the sacroiliac joint. North Carolina Orthopaedic Association. Pinehurst, North Carolina, October 9, 1993.

Webb LX\*, deAraujo W, Zaccaro D, Siegel DB. Roentgenographic interpretation of fracture follow-up x-rays. Presented at the Twenty-Fourth Annual Meeting of the Eastern Orthopaedic Association. Lake Buena Vista, Florida, October 16, 1993.

Webb LX\*. How not to do internal fixation. Presented at the Third Annual Meeting of the Southeastern Fracture Symposium. Raleigh, North Carolina, January 13, 1994.

Webb LX\*. Posterior stabilization/SI. screws. Presented at the Third Annual Meeting of the Southeastern Fracture Symposium, Raleigh, North Carolina, January 14, 1994.

## PRESENTATIONS

Webb LX\*. Lab instructor on posterior stabilization/SI fixation. Presented at the Third Annual Meeting of the Southeastern Fracture Symposium. Raleigh, North Carolina, January 14, 1994.

Webb LX\*. Anatomy and classification. Presented at the Third Annual Meeting of the Southeastern Fracture Symposium. Raleigh, North Carolina, January 14, 1994.

Gruber MP\*, Webb LX, Hogan P: Poster Exhibit. Clinical outcome in symptomatic patients undergoing femoral nail removal. American Academy of Orthopaedic Surgeons 61st. Annual Meeting. New Orleans, Louisiana, February 23, 1994.

Moore RE\*, Pollock FE, Webb LX: Poster Exhibit. Percutaneous screw fixation of fracture dislocation of the SI joint. American Academy of Orthopaedic Surgeons 61st Annual Meeting. New Orleans, Louisiana, February 23, 1994.

Webb LX, deAraujo W.\*, Zaccaro D, Siegel DB: Poster Exhibit. Roentgenographic interpretation of fracture follow-up x-rays. American Academy of Orthopaedic Surgeons 61st Annual Meeting. New Orleans, Louisiana, February 23-28, 1994.

Webb LX\*. Extremity trauma. ATLS Course. Bowman Gray School of Medicine. Winston-Salem, North Carolina, February 11, 1994.

Webb LX\*. Occult fractures and subluxations. Presented at the Felde Hightower Memorial Lecture Series. Bowman Gray School of Medicine. Winston-Salem, North Carolina, March 25, 1994.

Webb, LX\*. The theory of indirect reduction. Association for the Study of Internal Fixation (AO) Advanced Residents' Course. Phoenix, Arizona, April 18, 1994.

Webb LX\*. Screw design- basic principles and applications of lag screws. AO/ASIF Basic Residents' Course. Phoenix, Arizona, April 17, 1994.

Webb LX\*. Advanced group discussion leader. Association for the Study of Internal Fixation (AO) Advanced Resident's Course. Phoenix, Arizona, April 18, 1994.

Webb LX\*. Table Instructor. Association for the Study of Internal Fixation (AO) Advanced Residents' Course. Phoenix, Arizona, April 18, 1994.

Webb LX\*. Basic Lab Association for the Study of Internal Fixation (AO). Basic Residents' Course. Phoenix, Arizona, April 20, 1994.

Webb LX\*. Basic Fireside Discussion Leader. Association for the Study of Internal Fixation (AO) Basic Residents' Course. Phoenix, Arizona, April 21, 1994.

**PRESENTATIONS**

Webb LX\*. Advanced Group Discussion Leader. Association for the Study of Internal Fixation (AO) Advanced Residents' Course. Phoenix, Arizona, April 21, 1994.

## PRESENTATIONS

Webb LX\*. Moderator for Lab Exercises. Association for the Study of Internal Fixation (AO) Advanced Residents' Course. Phoenix, Arizona, April 18, 1994.

Webb LX\*. Group Discussion Leader. Association for the Study of Internal Fixation (AO) Advanced Residents' Course. Phoenix, Arizona, April 19, 1994.

Webb LX\*. Table Instructor. Association for the Study of Internal Fixation (AO) Advanced Residents' Course. Phoenix, Arizona, April 19, 1994.

Webb LX\*. Group Discussion Leader. Association for the Study of Internal Fixation (AO) Advanced Residents' Course. Phoenix, Arizona, April 20, 1994.

Webb, LX\*. Acetabular fractures-posterior approach. Bowman Gray Orthopaedic Alumni Association 11th Annual Meeting. Sea Island, Georgia, May 6, 1994.

Webb LX\*. Acetabular fractures - ORIF, posterior approach. Southeast Orthopaedic Trauma Update. Opryland Hotel. Nashville, Tennessee, May 19, 1994.

Webb LX\*. Panel Discussant. Southeast Orthopaedic Trauma Update. Vanderbilt University. Opryland Hotel. Nashville, Tennessee, May 19, 1994.

Webb LX\*. Moderator-session on proximal femur fractures. Southeast Orthopaedic Trauma Update. Vanderbilt University. Opryland Hotel. Nashville, Tennessee, May 19, 1994.

Webb LX\*. Lab instructor. IM nailing. Southeast Orthopaedic Trauma Update. Vanderbilt University. Opryland Hotel. Nashville, Tennessee, May 19, 1994.

Webb LX\*. Orthopaedic infections. Southeast Orthopaedic Trauma Update. Vanderbilt University. Opryland Hotel. Nashville, Tennessee, May 20, 1994.

Webb LX\*. Panel Discussant. Southeast Orthopaedic Trauma-Update. Vanderbilt University. Opryland Hotel. Nashville, Tennessee, May 20, 1994.

Webb LX\*. History and philosophy of AO, basic aims and principles. Association for the Study of Internal Fixation (AO). Operating Room Personnel Course. Chattanooga, Tennessee, June 17, 1994.

Webb LX\*. Pelvic ring injuries. North Carolina Chapter, American College of Surgeons. Myrtle Beach, South Carolina, July, 1994.

Webb, LX\*. History and philosophy of the AO, basic aims and principles. Association for the Study of Internal Fixation (AO). Basic Course for Operating Room Personnel. Fort Walton Beach, Florida, August 5, 1994.

## PRESENTATIONS

Webb LX\*. Lab moderator on lag screw technique cortical and cancellous. Association for the Study of Internal Fixation (AO). Basic Course for Operating Room Personnel. Fort Walton Beach, Florida, August 5, 1994.

Webb LX\*. Indications for plating large bones. Principles of Application DCP, LC-DCP. Association for the Study of Internal Fixation (AO). Basic Course for Operating Room Personnel. Fort Walton Beach, Florida, August 5, 1994.

Webb LX\*. Lab moderator: neutralization plating . Association for the Study of Internal Fixation (AO). Basic Course for Operating Room Personnel. Fort Walton Beach, Florida, August 5, 1994.

Webb LX\*. Lab Moderator. Dynamic hip screw (DHS). Association for the Study of Internal Fixation (AO). Basic Course for Operating Room Personnel. Fort Walton Beach, Florida, August 5, 1994.

Webb LX\*. Indications for external fixation of large and small bones. Association for the Study of Internal Fixation (AO). Basic Course for Operating Room Personnel. Fort Walton Beach, Florida, August 5, 1994.

Webb, LX\*. Lab Instructor. Treatment of distal humeral fractures. Association for the Study of Internal Fixation (AO). Advanced Course for Operating Room Personnel. Baltimore, Maryland, August 20, 1994.

Webb LX\*. Lab Instructor. Internal and external fixation of the wrist. Association for the Study of Internal Fixation (AO). Advanced Course for Operating Room Personnel. Baltimore, Maryland, August 20, 1994.

Webb LX\*. Poster Exhibit. The effect of protein precoating on antibiotic resistance of adherent staphylococci. Orthopaedic Trauma Association. Los Angeles, California, September 1994.

Webb LX\*. Discussant Paper. Bone toxicity of locally applied aminoglycosides. Orthopaedic Trauma Association. Los Angeles, California, September 22, 1994.

Webb LX\*. Discussant Paper. The effect of local antibiotic therapy to prevent the evolution of infection in compound fractures. An analysis of 1,363 consecutive Cases. Orthopaedic Trauma Association. Los Angeles, California, September 22, 1994.

Webb LX\*. Discussant Paper. The efficacy of irrigation solutions in removing bacteria. Orthopaedic Trauma Association. Los Angeles, California, September 22, 1994.

## PRESENTATIONS

Webb LX, deAraujo W\*. The foot friendly frame. North Carolina Orthopaedic Association. Grove Park Inn, Asheville, North Carolina, October 14, 1994.

Webb LX\*. Screw design and function. Association for the Study of Internal Fixation (AO). Basic Residents' Course. Charlotte, North Carolina, November 16, 1994.

Webb LX\*. Theory of indirect reduction. Association for the Study of Internal Fixation (AO). Basic Residents Course. Charlotte, North Carolina, November 17, 1994.

Webb LX\* . Techniques of indirect reduction. Association for the Study of Internal Fixation (AO). Basic Residents' Course. Charlotte, North Carolina, November 17, 1994.

Webb LX\*. Table instructor for practical exercise: indirect reduction distal femur blade plate (DCS). Association for the Study of Internal Fixation (AO) Basic Residents' Course. Charlotte, North Carolina, November 17, 1994.

Webb LX\*. Diaphyseal delayed and non-unions: treatment and results. Association for the Study of Internal Fixation (AO) Basic Residents' Course. Charlotte, North Carolina, November 20, 1994.

Webb LX\*. Indications for plating large bones: principles of application. Association for the Study of Internal Fixation (AO) Orthopaedic Trauma: Team Approach to Fracture Management. Basic Course for Operating Room Personnel. Charlotte, North Carolina, November 18, 1994.

Webb LX\*. Indications for external fixation. Association for the Study of Internal Fixation (AO) Orthopaedic Trauma: Team Approach to Fracture Management. Basic Course for Operating Room Personnel. Charlotte, North Carolina, November 19, 1994.

Webb LX\*. Postoperative care following internal fixation. Association for the Study of Internal Fixation (AO) Orthopaedic Trauma: Team Approach to Fracture Management. Basic Course for Operating Room Personnel. Charlotte, North Carolina, November 19, 1994.

Webb LX\*. The AO/ASIF system. Association for the Study of Internal Fixation (AO) Orthopaedic Trauma: Team Approach to Fracture Management. Basic Course for Operating Room Personnel. Charlotte, North Carolina, November 19, 1994.

Webb LX\*. Lab Instruction. Indirect reduction techniques. 61st. AO/ASIF Course Davos, Advanced Course. Operative Treatment of Fractures and Nonunions-Theoretical Basis and Practical Principles. Davos, Switzerland, December 12, 1994.

Webb LX\*. Lab Instruction. Indirect reduction techniques. 61st. AO/ASIF Course Davos, Advanced Course. Operative Treatment of Fractures and Nonunions-Theoretical Basis and Practical Principles. Davos, Switzerland, December 12, 1994.

## PRESENTATIONS

Webb LX\*. Lab Moderator. The pilon fracture. 61st. AO/ASIF Course Davos, Advanced Course. Operative Treatment of Fractures and Nonunions-Theoretical Basis and Practical Principles. Davos, Switzerland, December 16, 1994.

Webb LX\*. Infected nonunion. 61st. AO/ASIF Course Davos, Advanced Course. Operative Treatment of Fractures and Nonunions-Theoretical Basis and Practical Principles. Davos, Switzerland, December 16, 1994.

Webb LX\*. Infection and biomaterials. Guest Professor, University of Vienna, Vienna, Austria, December 19, 1994.

Webb LX\*. Diaphyseal nonunions. Guest Professor, University of Vienna, Vienna Austria, December 20, 1994.

Webb LX., Moore R\*, deAraujo W. Outcome in patients with unstable variety posterior pelvic ring injuries: image intensifier controlled percutaneous transiliac sacral screw fixation versus open reduction and internal fixation. American Academy of Orthopaedics Surgeons. Orlando, Florida, February 20, 1995.

Webb LX\*. Technique and controversy in nailing. Association for the Study of Internal Fixation (AO). Basic Residents' Course. Sun Valley, Idaho, March 27, 1995.

Webb LX\*. Direct and indirect reduction: principles, indication and examples. Association for the Study of Internal Fixation (AO) Basic Residents' Course. Sun Valley, Idaho, March 28, 1995.

Webb LX\*. Fracture classification. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 08, 1995.

Webb LX\*. Table instructor for the direct and indirect reduction lab. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 08, 1995.

Webb LX\*. Moderator for module II: reduction and fixation techniques. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 08, 1995.

Webb LX\*. Fracture classification. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana. August 08, 1995.

Webb LX\*. Direct and indirect reduction techniques: indications, biological consequences and examples. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 08, 1995.

## PRESENTATIONS

Webb LX\*. Lab instructor for practical exercise II: absolute stability. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 10, 1995.

Webb LX\*. Lab instructor: practical exercise III: splintage-bridge plating & large external fixators. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 10, 1995.

Webb LX\*. Lab instructor. Practical exercise IV: preoperative planning. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 11, 1995.

Webb LX\*. Lab instructor. Practical exercise V: femoral nailing. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 11, 1995.

Webb LX\*. Lab instructor. Practical exercise VI: type c- ankle fractures. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 11, 1995.

Webb LX\*. Lab instructor. Practical exercise VII: distal femur fractures. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 12, 1995.

Webb LX\*. Delayed healing, nonunion, malunion and problems. Association for the Study of Internal Fixation (AO) Residents' Basic Course. New Orleans, Louisiana, August 13, 1995.

Webb LX\*. Bone, biomaterials and infection. Current Concepts in Fracture Management Symposium. Hilton Head Island, South Carolina, September 22, 1995.

Webb LX\*. Treatment of severe osteoporotic patients and osteoporotic fractures - Panel discussion. Current Concepts in Fracture Management Symposium. Hilton Head Island, South Carolina, September 22, 1995.

Webb LX\*. Management of long bone nonunions. Current Concepts in Fracture Management Symposium. Hilton Head Island, South Carolina, September 24, 1995.

Webb LX\*. Plate contouring and plate function. Orthopaedic Trauma Association's Residents Basic Fracture Course. September 28, 1995.

## PRESENTATIONS

Webb LX\*. Lower extremity case presentation and discussion. Orthopaedic Trauma Association Annual Meeting, Tampa, Florida, September 29, 1995.

Krome J\*, Welliver I., Webb LX, Teasdall RD. Outcome and cost of hardware removal from symptomatic patients with simple ankle fractures. North Carolina Orthopaedic Association. Winston-Salem, North Carolina, September 29, 1995.

Webb LX\*. Lower extremity case presentation and discussion. Orthopaedic Trauma Association Annual Meeting. Tampa, Florida. September 30, 1995.

Webb LX\*. Continuous EMG monitoring for placement of percutaneous iliosacral screws for stabilizing the posterior pelvic ring. Orthopaedic Association Annual Meeting. Tampa, Florida, October 01, 1995.

Krome J\*, Welliver I, Webb LX, Teasdall RD. Outcome and cost of hardware removal from symptomatic patients with simple ankle fractures. Southern Medical Association Residents' and Fellows' Conference. Kansas City, Missouri, November 18, 1995.

Webb LX\*. Distal humeral fractures - operative indications/biomechanics & results. Southeastern Fracture Symposium. Greensboro, North Carolina, January 11, 1996.

Webb LX\*. Lab instructor. Tension band wiring. Southeastern Fracture Symposium. Greensboro, North Carolina, January 11, 1996.

Webb LX\*. Dislocation of the glenohumeral joint. Southeastern Fracture Symposium. Greensboro, North Carolina, January 11, 1996.

Webb LX\*. Lab instructor. External fixation. Southeastern Fracture Symposium. Greensboro, North Carolina, January 12, 1996.

Webb LX\*. Malunion and nonunion of the clavicle. Southeastern Fracture Symposium. Greensboro, North Carolina, January 12, 1996.

Webb LX\*. Pelvic and acetabular fractures. A.O.R.N. Meeting. Winston-Salem, North Carolina, January 23, 1996.

Webb LX\*. History of Marco Island. AO/ASIF Current Concepts in Fracture Management Course. Marco Island, Florida, March 24, 1996.

Webb LX\*. Direct and indirect reduction techniques. AO/ASIF Current Concepts in Fracture Management Course. Marco Island, Florida, March 24, 1996.

## PRESENTATIONS

Webb LX\*. Direct and indirect reduction techniques. AO/ASIF Advanced Course on the Operative Treatment of Fractures and Nonunions. Marco Island, Florida, March 24-29, 1996.

Webb LX\*. Direct and indirect reduction techniques. Bowman Gray Orthopaedic Alumni Association. Orlando, Florida, March 30, 1996.

Webb LX\*. Anatomy and classification of pelvic fractures. Specialty Day. XXIII Congreso Del Cincuentenario De La Sociedad Mexicana De Orthopedia. Mexico City, Mexico, May 1, 1996.

Webb LX\*. Posterior surgical approaches for acetabular fractures. Specialty Day. XXIII Congreso Del Cincuentenario De La Sociedad Mexicana De Orthopedia. Mexico City, Mexico, May 1, 1996.

Webb LX\*. AO/ principles- evolution of the concept. AO/ASIF Residents Basic Course. Chattanooga, Tennessee, August 21, 1996.

Webb LX\*. Fireside Discussion Group Leader, Absolute stability. AO/ASIF Residents Basic Course. Chattanooga, Tennessee, August 21, 1996.

Webb LX\*. Lab Instructor. Practical Exercise I: Reduction techniques. AO/ASIF Residents Basic Course. Chattanooga, Tennessee, August 21, 1996.

Webb LX\*. Lab Instruction. Practical Exercise II - Absolute stability. AO/ASIF Residents Basic Course. Chattanooga, Tennessee, August 22, 1996.

Webb LX\*. Fireside Discussion Group Leader. Decision making: review of factors. Presentation and Case Discussion. AO/ASIF Residents Basic Course. Chattanooga, Tennessee, August 22, 1996.

Webb LX\*. Plate contouring and plate function. Orthopaedic Trauma Association's Residents' Basic Fracture Course. Boston, Massachusetts, September 26, 1996.

Webb LX\*. Moderator/Group Leader. Lower Extremity Case Presentation and Discussion. Orthopaedic Trauma Association. Boston, Massachusetts, September 27, 1996.

Webb LX\*. Moderator/Group Leader. Lower Extremity Case Presentation and Discussion. Orthopaedic Trauma Association. Boston, Massachusetts, September 28, 1996.

Webb LX\*. The use of vacuum assisted closure in wound management. North Carolina Orthopaedic Association. Myrtle Beach, South Carolina, October 11, 1996.

## PRESENTATIONS

Webb LX\*. The infected nonunion/malunion. AO/ASIF Advanced Symposium: Principles of Managing Complex Fractures and Failed Internal Fixation. November 8, 1996.

Webb LX\*. Complex fractures of the proximal humerus. AO/ASIF Advanced Symposium: Principles of Managing Complex Fractures and Failed Internal Fixation. November 8, 1996.

Webb LX\*. Complex supra-intra-condylar fractures. AO/ASIF Advanced Symposium: Principles of Managing Complex Fractures and Failed Internal Fixation. November 9, 1996.

Webb LX\*. Musculoskeletal Lectures, ATLS Course. Bowman Gray School of Medicine. Winston-Salem, North Carolina, December 7, 1996.

Webb LX\*. Surgical reduction techniques and their influence on bone repair. AO/ASIF Residents' Basic Course. Reno, Nevada, January 15, 1997.

Webb LX\*. Nonunions aseptic. AO/ASIF Residents' Basic Course. Reno, Nevada, January 19, 1997.

Webb LX\*. Introduction to AO philosophy and its basis. AO/ASIF Current Concepts & Advanced Course. Colorado Springs, Colorado, May 4, 1997.

Webb LX\*. Principles: fracture fixation/absolute stability. AO/ASIF Current Concepts & Advanced Course. Colorado Springs, Colorado, May 5, 1997.

Webb LX\*. Diaphyseal infections. AO/ASIF Current Concepts & Advanced Course. Colorado Springs, Colorado, May 5, 1997.

Webb LX\*. Table Instructor. Practical Exercise I - Absolute stability. AO/ASIF Current Concepts & Advanced Course. Colorado Springs, Colorado, May 5, 1997.

Webb LX\*. Table Instructor. Practical Exercise II - Relative stability. AO/ASIF Current Concepts & Advanced Course. Colorado Springs, Colorado, May 5, 1997.

Webb LX\*. Table Instructor. Practical Exercise III - Preoperative planning- forearm fractures. AO/ASIF Current Concepts & Advanced Course. Colorado Springs, Colorado, May 6, 1997.

Webb LX\*. Bone fracture classification. A guide to clinical decision making. AO/ASIF Residents' Basic Course. Charlotte, North Carolina, June 18, 1997.

Webb LX\*. Table Instructor. Reduction techniques. AO/ASIF Residents' Basic Course. Charlotte, North Carolina, June 18, 1997.

## PRESENTATIONS

Webb LX\*. Relative stability - bridge plate. AO/ASIF Residents Basic Course. Charlotte, North Carolina, June 19, 1997.

Webb LX\*. Table Instructor. Practical Exercise II- Relative stability. AO/ASIF Residents' Basic Course. Charlotte, North Carolina, June 19, 1997.

Webb LX\*. Table Instructor. Practical Exercise III - Pre-operative planning - forearm fractures. AO/ASIF Residents' Basic Course. Charlotte, North Carolina, June 19, 1997.

Webb LX\*. Table Instructor. Practical Exercise IV - Fixation of radius/ulna and olecranon. AO/ASIF Residents' Basic Course. Charlotte, North Carolina, June 19, 1997.

Webb LX\*. Table Instructor. Practical Exercise V- Intramedullary nailing. AO/ASIF Residents' Basic Course. Charlotte, North Carolina, June 18, 1997.

Webb LX\*. Distal humeral fractures; indications, approaches, pearls. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 27, 1997.

Webb LX\*. Lab Instructor. ORIF of proximal humeral fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 27, 1997.

Webb LX\*. Lab Instructor. Anterolateral approach to the humerus, humeral plating. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 27, 1997.

Webb LX\*. Lab Instructor. Shoulder hemiarthroplasty for fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 27, 1997.

Webb LX\*. Lab Instructor. Surgical approach to the radial head. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 27, 1997.

Webb LX\*. Lab Instructor. Distal humeral fractures: surgical approaches - Olecranon Osteotomy and Extensor Slide. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 27, 1997.

Webb LX\*. Lab Instructor. Distal radius fracture - external fixation. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 27, 1997.

## PRESENTATIONS

Webb LX\*. Lab Instructor. ORIF - carpal scaphoid fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 27, 1997.

Webb LX\*. Lab Instructor. Combined anterolateral and posteromedial approaches to tibial plateau fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 28, 1997.

Webb LX\*. Lab Instructor. Hybrid fixator for type VI tibial fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 28, 1997.

Webb LX\*. Lab Instructor. Compartment syndromes of the leg: single and dual incision approaches. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 28, 1997.

Webb LX\*. Lab Instructor. Medial gastrocnemius flap. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 28, 1997.

Webb LX\*. Lab Instructor. Combined approaches to pilon fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 28, 1997.

Webb LX\*. Lab Instructor. Hybrid fixator for pilon fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 28, 1997.

Webb LX\*. Lab Instructor. Lateral approach to calcaneal fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 29, 1997.

Webb LX\*. Lab Instructor. Calcaneal fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 29, 1997.

Webb LX\*. Lab Instructor. Dual approaches to talus fractures. American Academy of Orthopaedic Surgeons. Practical Techniques for Improved Fracture Management Course. June 29, 1997.

Webb LX\*. Plate contouring and plate function. Orthopaedic Trauma Association's Resident's Basic Fracture Course. Louisville, Kentucky, October 16, 1997.

## PRESENTATIONS

Webb LX\*. The spectrum of stability from absolute to clinically significant instability. AO/ASIF Current Concepts in Fracture Management Course. Toronto, Ontario, Canada, January 9, 1998.

Webb LX\*. Pelvic ring Injuries - morbidity, mortality, historical perspectives. Southeastern Fracture Symposium. Greensboro, North Carolina, January 22, 1998.

Webb LX\*. Moderator/Table Instructor. External fixation of pelvic ring injuries. Southeastern Fracture Symposium. Greensboro, North Carolina, January 22, 1998.

Webb LX\*. Moderator/Lab Instructor: Complications/pitfalls - how to avoid them. Southeastern Fracture Symposium. Greensboro, North Carolina, January 23, 1998.

Webb LX\*. The infected nonunion/malunion: General principle, stable vs unstable fixation. AO/ASIF Advanced Symposium: Principles of Managing Complex Fractures and Failed Internal Fixation. San Francisco, California, February 7, 1998.

Webb LX\*. Diaphyseal Infected nonunion - Ilizarov. AO/ASIF Advanced Symposium: Principles of Managing Complex Fractures and Failed Internal Fixation. San Francisco, California, February 7, 1998.

Webb LX\*. Salvage of diaphyseal humeral failed fixation: nail versus plate. AO/ASIF Advanced Symposium: Principles of Managing Complex Fractures and Failed Internal Fixation. San Francisco, California, February 8, 1998.

Webb LX\*, Argenta LC, Lange RH, Ruch D, Teasdall, RT, Ward, W, Mooney JF, Morykwas M, DeFranzo A, Molnar J, Marks M. Poster Exhibit. Vacuum assisted wound closure (V.A.C. J Therapy). A preliminary report in 125 patients. 65th Annual Meeting, American Academy of Orthopaedic Surgeons. New Orleans, Louisiana, March 19-23, 1998.

Bosse MJ, MacKenzie E, Webb LX. Leap Study Group. Initial evaluation of the grade IIIB/IIIC tibia fracture: a prospective limb salvage assessment. 65th Annual Meeting, American Academy of Orthopaedic Surgeons. New Orleans, Louisiana. March 20, 1998.

MacKenzie EJ, Bosse, MJ, Webb LX. Leap Study Group. Characterization of patients undergoing amputation versus limb salvage for severe lower extremity trauma. 65th Annual Meeting, American Academy of Orthopaedic Surgeons. New Orleans, Louisiana, March 20, 1998.

Pollak AN, McCarthy ML., Burgess AR, Webb LX. Leap Study Group. Short-term survivorship of flaps used for coverage of tibial soft tissue defects. 65th Annual Meeting, American Academy of Orthopaedic Surgeons. New Orleans, Louisiana, March 21, 1998.

## PRESENTATIONS

Webb LX\*. Distal humeral fractures. American Academy of Orthopaedic Surgeons Practical Techniques for Improved Fracture Management. April 23, 1998.

Webb LX\*. Fractures of the distal humerus. Guest Professor, Temple University, Philadelphia, Pennsylvania, May 15, 1998.

Webb LX\*. Case Presentations- Orthopaedic Trauma . Guest Professor, Temple University, Philadelphia, Pennsylvania, May 15, 1998.

Bosse MJ\*, Burgess AR, Jones AL, Kellam JF, MacKenzie EJ, McAndrews MP, McCarthy ML, Patterson BM, Sanders RW, Swiontkowski MF, Webb LX. Characterization of patients undergoing amputation versus limb salvage for severe lower extremity trauma. The American Orthopaedic Association. Asheville, North Carolina, June 3, 1998.

Webb LX\*. The course - how to maximize your experience. Principles of Fracture Management Course and Advanced Controversies in Fracture Care Course. Marco Island, Florida, June 5, 1998.

Webb LX\*. The spectrum of stability. Principles of Fracture Management Course and Advanced Controversies in Fracture Care Course. Marco Island, Florida, June 5, 1998.

Webb LX\*. Moderator. Principles: fracture fixation. Principles of Fracture Management Course and Advanced Controversies in Fracture Care Course. Marco Island, Florida, June 5, 1998.

Webb LX. Floor Moderator. Elbow and shoulder injuries - current techniques for treatment of common athletic injuries # 104. AAOS Summer Institute. Rosemont, Illinois, September 9, 1998.

Webb LX. Floor Moderator. Surgical treatment of elbow fracture in athletes. Current Techniques for treatment of common athletic injuries # 104. AAOS Summer Institute. Rosemont, Illinois, September 9, 1998.

Webb LX. Lab Instructor (3 sessions). Concurrent surgical skills session - Management of complex fracture # 102. AAOS Summer Institute. Rosemont, Illinois, September 9, 1998.

Webb LX. Subtrochanteric fractures - classification and treatment. AAOS Summer Institute. Rosemont, Illinois, September 10, 1998.

Webb LX. Posterior wall - acetabular fractures. AAOS Summer Institute, Rosemont. Illinois, September 10, 1998.

## PRESENTATIONS

Webb LX. Lab Instructor. Posterior wall acetabular fractures. AAOS Summer Institute. Rosemont, Illinois, September 10, 1998.

Webb LX. External fixation for lower extremity fracture. AAOS Summer Institute. Rosemont, Illinois, September 12, 1998.

Webb LX\*. Symposium Discussion Panelist. Satelliten-Symposium Trauma 2000 Progressives Wundmanagement. Combined 4<sup>th</sup> European Trauma Conference and Annual Meeting of the German Society of Trauma Surgeons. Hannover, Germany, September 11, 2000.

Webb LX\*. Orthopaedic experience with vacuum assisted closure (VAC). Meeting: Vacuum Assisted Closure for Wound Management. Graylyn Conference Center. Wake Forest University. Winston-Salem, North Carolina, September 29, 2000.

Webb LX\*. Plate contouring and plate function. Orthopaedic Trauma Association's 2000 Residents' Basic Fracture Course. San Antonio, Texas, October 11, 2000.

Webb LX, Morykwas MJ, Smith TL, Barnwell PE, Bapst J, Waite AM: High velocity parallel fluid flow for debridement of contaminated wounds in a pig model. OTA Annual Meeting. San Antonio, Texas, October 12-14, 2000.

DeFranzo AJ., Argenta LC, Marks MW, Molnar JA, Morykwas MJ, Chang M, Webb LX. Use of sub-atmospheric pressure for treatment of gunshot injuries. 69th Annual Scientific

## PRESENTATIONS

Meeting of the American Society of Plastic Surgeons. Los Angeles, California, October 14-18, 2000.

Morykwas MJ, Smith T, Barnwell P, Bapst J, Argenta LC, Webb LX. A swine model of particulate contaminated wounds with or without bacteria. 69th Annual Scientific Meeting of the American Society of Plastic Surgeons. Los Angeles, California, October 14-18, 2000.

Webb LX.\* Delayed union of the tibia. Summer Institute. San Francisco, California, September 2001.

Webb LX.\* External fixation. Summer Institute. San Francisco, California, September 2001.

Webb LX. Pilon fractures. 2001 Trauma Update Course. Irving, Texas, October 6, 2001.

Webb LX. Lab Instructor. Humeral nailing. 2001 Trauma Update Course. Irving Texas, October 6, 2001.

Webb LX. Lab Instruction. Tibial nailing. 2001 Trauma Update Course. Irving Texas, October 6, 2001.

Webb LX. Bosse MJ, MacKenzie E, Kellam JF, Sander R, Jones A, McAndrew M, Patterson B, McCarthy ML, Castillo RC. Reconstruction or amputation of lower limb-threatening injury: two-year clinical and functional outcomes at level-1 trauma center. 17th Annual Meeting, Orthopaedic Trauma Association. San Diego, California, October 18-20, 2001.

Chang D\*, Castle J, Webb LX. Vacuum-assisted closure for fasciotomy wounds after compartment syndrome of the leg. Presented at the 17th Annual Meeting of the Orthopaedic Trauma Association. San Diego, California, October 18-20, 2001.

Webb LX, Bosse MJ, MacKenzie E, Kellam JF, Sander R, Jones A, McAndrew M, Patterson B, McCarthy ML, Castillo RC. Poster Exhibit. Characteristics that affect outcome of patients with limb-threatening lower extremity injuries. 17th Annual Meeting, Orthopaedic Trauma Association. San Diego, California, October 18-20, 2001.

Webb LX. Vacuum assisted wound closure - technique and indications. Presented during the Soft Tissue Options Gaining Coverage Symposium. 17th Annual Meeting, Orthopaedic Trauma Association. San Diego, California, October 18-20, 2001.

Webb LX. Debridement wound assessment. Presented during the Soft Tissue Options Gaining Coverage Symposium. 17th Annual Meeting, Orthopaedic Trauma Association. San Diego, California, October 18-20, 2001.

## PRESENTATIONS

Webb LX. Bone loss - Ilizarov techniques. Presented during the Soft Tissue Options Gaining Coverage Symposium. 17th Annual Meeting, Orthopaedic Trauma Association. San Diego, California, October 18-20, 2001.

Webb LX. Limb salvage debridement. Modern Concepts in Wound Care. East Tennessee University. Johnson City, Tennessee, November 8, 2001.

Webb LX. Wound care - surgical and local measures. Newer Approaches to Wound Care Meeting, East Tennessee University. Johnson City, Tennessee, November 8, 2001.

Webb LX\*. Vacuum assisted wound closure. Newer Approaches to Wound Care Meeting. East Tennessee University. Johnson City, Tennessee, November 8, 2001.

Webb LX\*. External fixation of distal tibia fractures. 2001 Trauma Update Course. New York, New York, November 30-December 02, 2001.

Webb LX\*. Pilon fractures. 2001 Trauma Update Course. New York, New York, November 30-December 02, 2001.

Webb LX\*. Distal radius fractures. 2001 Trauma Update Course. New York, New York, November 30- December 02, 2001.

Webb LX\*. External fixation tibial metaphyseal fractures. Trauma Update Meeting. Vail, Colorado, January 24-27, 2002.

Webb LX\*. Pilon - external fixation vs pin fixation. Trauma Update Meeting. Vail, Colorado, January 24-27, 2002.

Webb LX\*. Bridging ex-fix of the knee. Trauma Update Meeting. Vail, Colorado, January 24-27, 2002.

Webb LX\*. External fixation of pilon fractures. Zimmer Update Meeting. British Columbia, Canada, February 09-11, 2002.

Webb LX\*. Biological fixation, fractures and mechanical requirements. Southeastern Fracture Symposium, Nurses' Day. Greensboro Marriott, Greensboro, North Carolina, January 18, 2002.

Webb LX\*. Lower extremity trauma - pelvis, acetabulum, and spine. October 18-20, 2001. Greensboro Marriott. Greensboro, North Carolina. January 16-18, 2002.

Webb LX\*. Posterior wall fractures. Southeastern Fracture Symposium. Residents' and Nurses' Course. Greensboro Marriott. Greensboro, North Carolina, January 16-18, 2002.

## PRESENTATIONS

Webb LX\*. The spectrum of stability. Southeastern Fracture Symposium. Residents' and Nurses' Course. Greensboro Marriott. Greensboro, North Carolina, January 16-18, 2002.

Webb LX\*. Case Studies - Open Forum – Sacrum. Southeastern Fracture Symposium. Residents' and Nurses' Course. Greensboro Marriott. Greensboro, North Carolina, January 16-18, 2002.

Webb LX. Presented at AAOS Annual Meeting. External fixation of long bones (Zimmer Group). Dallas, Texas, February 17, 2002.

Webb LX. Presented at AAOS Annual Meeting. Wound management Issues. Symposium on Grade III Tibial Fractures - Debridement Issues. Dallas, Texas, February 17, 2002.

Webb LX. External pilon fracture - thin wires versus bridging frame fixation. Temple University, Grand Rounds. Philadelphia, Pennsylvania, March 1-2, 2002.

Webb LX. Vacuum assisted wound closure - development of the idea, basic research, and clinical cases. Temple University, Grand Rounds. Philadelphia, Pennsylvania, March 1-2-, 2002.

Webb LX. Wound management update: open tibial fractures. University of Florida, Grand Rounds. Gainesville, Florida, April 17, 2002.

Webb LX. Bridging external fixation and periarticular plating. University of Florida, Grand Rounds. Gainesville, Florida, April 17, 2002.

Webb LX. Vacuum assisted closure - the history and basic principles. University of Florida, Grand Rounds. Gainesville, Florida, April 17, 2002.

Webb LX. Vacuum assisted closure of extremity complex wounds. University of Florida, Grand Rounds. Gainesville, Florida, April 17, 2002.

Webb LX. Pelvic ring Injuries: anatomy and classification. University of Florida, Grand Rounds. Gainesville, Florida, April 18, 2002.

Webb LX. Pelvic ring Injuries: Management and Outcome. University of Florida, Grand Rounds Gainesville, Florida, April 18, 2002.

Webb LX. Distal humeral fractures. Duke University. Durham, North Carolina, April 20, 2002.

Morykwas MJ\*, Smith T, Webb LX. *Poster Exhibit*. A comparison of two techniques for particle clearance. 47th Annual Meeting of Plastic Surgery Research Council. Boston, Massachusetts, April 17-20, 2002.

## PRESENTATIONS

Webb LX. Distal radius fractures - external fixation. Trauma Update Meeting. Philadelphia, Pennsylvania, May 4, 2002.

Webb LX. Lab Moderator. External fixation of humeral Fractures. Trauma Update Meeting. Philadelphia, Pennsylvania, May 4, 2002.

Webb LX. External fixation of distal tibia. Trauma Update Meeting. Philadelphia, Pennsylvania, May 4, 2002.

Webb LX\*. External fixation's role in the management of periarticular fractures of the lower extremities. 32nd Annual Meeting, South Carolina Orthopaedic Association. Kiawah Island Resort. Kiawah Island, South Carolina, August 1-3, 2002.

Webb LX. Management of tibial pilon fractures and the role of external fixation. 32nd Annual Meeting, South Carolina Orthopaedic Association. Kiawah Island Resort. Kiawah Island, South Carolina, August 1-3, 2002.

Webb LX\*. Orthopaedic applications of vacuum assisted closure. VAC Meeting Sponsored by Kinetics Concepts, Inc. Adams Mark Hotel. Winston-Salem, North Carolina, September 20, 2002.

Webb LX\*, Morykwas MO, Smith TL. *Poster Exhibit.*: Wound debridement: a comparison to two techniques for particles clearance. 18th Annual Meeting, Orthopaedic Trauma Association Annual Meeting, Westin Harbour Castle Hotel. Toronto, Ontario, Canada, October 11-13, 2002.

Webb LX, Cyril JK\*, MacKenzie EJ, Smith DG, Bosse MJ. Prosthetic device satisfaction among patients with lower extremity amputation due to trauma. 18th Annual Meeting, Orthopaedic Trauma Association Annual Meeting, Westin Harbour Castle Hotel. Toronto, Ontario, Canada, October 11-13, 2002.

Webb LX, MacKenzie EJ\*, Bosse MJ, Castillo RC, Smith DG. Functional outcomes after lower extremity amputations for trauma: effects of amputation level, soft tissue coverage, and prosthetic design. 18th Annual Meeting, Orthopaedic Trauma Association Annual Meeting, Westin Harbour Castle Hotel. Toronto, Ontario, Canada, October 11-13, 2002.

Webb LX, McCarthy ML\*, MacKenzie EJ, Edwin D, Bosse MJ, Castillo CR, Starr AJ. Psychological distress among patients with a severe lower limb injury. 18th Annual Meeting, Orthopaedic Trauma Association Annual Meeting, Westin Harbour Castle Hotel. Toronto, Ontario, Canada, October 11-13, 2002.

Webb LX, Bosse MJ\*, Castillo RC, Hercovici D, DiPasquale TG, MacKenzie EJ. The mangled foot and ankle: the role of soft tissue coverage. 18th Annual Meeting, Orthopaedic

## PRESENTATIONS

Trauma Association Annual Meeting, Westin Harbour Castle Hotel. Toronto, Ontario, Canada, October 11-13, 2002.

Ellington JK\*, Harris MB, Webb LX, Smith BP, Smith T, Tan K, Hudson MC. Intracellular staphylococcus aureus: a proposed mechanism for the indolence of osteomyelitis. 18th Annual Meeting, Orthopaedic Trauma Association Annual Meeting, Westin Harbour Castle Hotel. Toronto, Ontario, Canada, October 11-13, 2002.

Webb LX. Moderator. Case Presentations: Symposium, Soft Tissue Coverage. 18th Annual Meeting, Orthopaedic Trauma Association Annual Meeting, Westin Harbour Castle Hotel. Toronto, Ontario, Canada, October 11-13, 2002.

Webb LX. Moderator. Case Presentations: Symposium, Debridement Techniques. 18th Annual Meeting, Orthopaedic Trauma Association Annual Meeting, Westin Harbour Castle Hotel. Toronto, Ontario, Canada, October 11-13, 2002.

Webb LX, Harris MB\*, Cars J, Friedel G, Killian F, Ruch DS, Teasdall RD. Symposium: The viability of an orthopaedic trauma service. 18th Annual Meeting, Orthopaedic Trauma Association Annual Meeting, Westin Harbour Castle Hotel. Toronto, Ontario, Canada, October 11-13, 2002.

Webb LX. The Robert Merkow Memorial Lecturer. External fixation, past, present and future. 32<sup>nd</sup> Annual Orthopaedic and Trauma Seminar. Hennepin County Medical Center. Minneapolis, Minnesota, October 17-19, 2002.

Webb LX. External fixation in tibial plateau fractures: the gold standard. 32<sup>nd</sup> Annual Orthopaedic and Trauma Seminar. Hennepin County Medical Center. Minneapolis, Minnesota, October 17-19, 2002.

Webb LX. Vacuum assisted wound closure. Guest Lecturer at KCI Medical Canada, Inc. Dinner meeting on the latest development in wound care. Toronto, Canada, November 04, 2002.

Webb LX. Preoperative planning. Residents' Course. Newport, Rhode Island, November 15-17, 2002.

Webb LX. Lab Moderator. Trimalleolar ankle fractures. Residents' Course. Newport, Rhode Island, November 15-17, 2002.

Webb LX. Lab Moderator. Motor skills challenge. Residents' Course. Newport, Rhode Island, November 15-17, 2002.

## PRESENTATIONS

Webb LX. Proximal humeral replacement. Residents' Course. Newport, Rhode Island, November 15-17, 2002.

Webb LX. Lab Moderator. Distal humerus fracture. Residents' Course. Newport, Rhode Island, November 15-17, 2002.

Webb LX.: Lab Instructor. External fixation of distal radius fractures. Resident's Course. Newport, Rhode Island. November 15-17, 2002.

Webb LX. Lab Lecturer. Olecranon fracture. Residents' Course. Newport, Rhode Island, November 15-17, 2002.

Webb LX. Lab Moderator. Both bone forearm fractures. Residents' Course. Newport, Rhode Island, November 15-17, 2002.

Webb LX. Lab Moderator. Olecranon fracture. Residents' Course. Newport, Rhode Island, November 15-17, 2002.

Webb LX\*. Distal radius fractures: external fixation. Trauma Update Course. New York, New York December 13-15, 2002.

Webb LX\* External fixation: distal tibia. Trauma Update Course. New York, New York, December 13-15, 2002.

Webb LX\*. Lab Moderator. External fixation- distal radius fractures. Trauma Update Course. New York, New York, December 13-15, 2002.

Webb LX\*. Table Instructor. Pilon - ORIF. Trauma Update Course. New York, New York, December 13-15, 2002.

Webb LX\*. External fixation in tibial metaphyseal fractures. 17th Annual VAIL Orthopaedic Symposium. Vail, Colorado, January 16-19, 2003.

Webb LX\*. Pilon fractures: external fixation - pins versus wires. 17th Annual VAIL Orthopaedic Symposium. Vail, Colorado, January 16-19, 2003.

Webb LX\*. Projected role of CAOS in fracture management. 17th Annual VAIL Orthopaedic Symposium. Vail, Colorado, January 16-19, 2003.

Webb LX\*. Table Instructor. Plating and external fixation - distal tibia and calcaneus. 17th Annual VAIL Orthopaedic Symposium. Vail, Colorado, January 16-19, 2003.

## PRESENTATIONS

Webb LX\*. Table Instructor. Cable plate fixation of periprosthetic fractures. 17th Annual VAIL Orthopaedic Symposium. Vail, Colorado, January 16-19-, 2003.

Ellington JK, Harris MB\*, Webb LX, Smith BP, Smith T, Tan I, Hudson MC. Intracellular staphylococcus aureus: a proposed mechanism for the indolent of osteomyelitis. American Academy Orthopaedic Surgeons Annual Meeting. Presented at the OTA Specialty Day, Ernest N. Morial Convention Center. New Orleans, Louisiana, February 08, 2003.

Webb LX\*. Recent innovations in orthopaedic surgery - case studies in minimally surgery and post-operative patient management. Satellite Conference. The Wyndam. New Orleans, Louisiana, February 06, 2003.

Webb LX\*. American Institute of Biological Sciences Panelist, Fort Sam Houston, Texas, March 27, 2003.

Webb LX\*. Guest Lecturer at Grand Rounds. Resident Case Presentation Conference. University of Pennsylvania. Philadelphia, Pennsylvania, April 17, 2003.

Webb LX\*. Guest Lecturer at Grand Rounds. Vacuum assisted closure: history-basic science-current status overall. University of Pennsylvania. Philadelphia, Pennsylvania, April 17, 2003.

Webb LX\*. Guest Lecturer at Grand Rounds. Vacuum assisted closure: orthopaedic cases University of Pennsylvania. Philadelphia, Pennsylvania, April 17, 2003.

Webb LX\*. High energy pelvic fractures. The Second Annual Key Issues in Trauma Management Conference. Moses Cone Hospital. Greensboro, North Carolina, April 22, 2003.

Webb LX\*. Topical negative pressure wound therapy - orthopaedic complications. KCI International Meeting. Salisbury, England, July 9-13, 2003.

Webb LX\*. Clinical applications and fundamentals. Orthopaedic Trauma Basic Science Forum. Salt Lake City, Utah, October 08, 2003.

Webb LX\*. Questions and Answer Session. Bone graft substitutes. Orthopaedic Trauma Basic Science Forum. Salt Lake City, Utah, October 08, 2003.

Webb LX\*. Clinical applications and fundamentals. Symposium - Computer Assisted Surgery Symposium. Orthopaedic Trauma Association. Salt Lake City, Utah, October 08, 2003.

## PRESENTATIONS

Ellington JK\*, Harris MB, Webb LX, Smith BP, Smith TL, Hudson MD. Antibiotic resistance in staphylococcal osteomyelitis. Orthopaedic Trauma Association Basic Science Forum, Orthopaedic Trauma Association Annual Meeting. Salt Lake City, Utah, October 8 2003.

Pollak AN\*, Castillo RCC, Jones AL, Bosse MJ, MacKenize EJ, Webb LX. The LEAP Study Group. Time to definitive treatment significantly influences incidence of infection after open higher energy lower-extremity trauma. Orthopaedic Trauma Association Annual Meeting. Salt Lake City, Utah, October 9-11, 2003.

Smith DG\*, Castillo RC, MacKenize EJ, Bosse MJ, Webb LX. The LEAP Study Group: Functional outcomes of patients who have late amputation after trauma is significantly worse than for those who have early amputation. Orthopaedic Trauma Association Annual Meeting. Salt Lake City, Utah, October 9-11, 2003.

Webb LX, Bosse MJ, Castillo RC, MacKenzie EJ. The LEAP Study Group. Outcomes in patients with limb threatening grade III open tibial diaphyseal fractures. Orthopaedic Trauma Association Annual Meeting. Salt Lake City, Utah, October 9-11, 2003.

Smith JJ, Swiontkowski MF, Castillo RC, MacKenzie EJ, Agel J, Webb LX. The LEAP Study Group. Functional outcome of bilateral limb-threatening lower extremity injuries at two Years after injury. Orthopaedic Trauma Association Annual Meeting. Salt Lake City, Utah, October 9-11, 2003.

Webb LX\*. Pediatric femoral shaft fractures - external fixation. Hennepin Country Trauma Course. Minneapolis, Minnesota, November 13-15, 2003.

Webb LX\*. Vacuum assisted wound closure: indications, techniques, and results. 32nd. Annual Orthopaedic and Trauma Seminar, Hennepin County Medical Center. Minneapolis, Minnesota, November 13, 2003.

Webb LX\*. National VAC Conference. University of Southern California School of Medicine, Division of Trauma. November 2003.

Webb LX\*. Panel Mentor. Difficult cases. 2003 Trauma Update Course, Millennium Broadway. New York, New York, December 5, 2003.

Webb LX\*. Distal radius fractures external fixation - spanning and non-spanning. 2003 Trauma Update Course, Millennium Broadway. New York, New York, December 5, 2003.

Webb LX\*. Lab Session. External fixation of the radius - spanning and non-spanning. Early Session. 2003 Trauma Update Course, Millennium Broadway. New York, New York, December 05, 2003.

## PRESENTATIONS

Webb LX\*. Lab Session. External fixation of the radius - spanning and non-spanning. Late Session. 2003 Trauma Update Course, Millennium Broadway. New York, New York, December 05, 2003.

Webb LX\*. Lab Session. Spanning external fixation of the knee and ankle. Early Session. 2003 Trauma Update Course, Millennium Broadway. New York, New York, December 06, 2003.

Webb LX\*. Pilon fractures external fixation - temporary or long term. 2003 Trauma Update Course, Millennium Broadway. New York, New York, December 06, 2003.

Webb LX\*. Lab Session. Spanning external fixation of the knee and ankle. Late Session. 2003 Trauma Update Course, Millennium Broadway. New York, New York, December 06, 2003.

Thompson J, Bisseck M, Webb L, Chang M, Miller P, Morykwas M., Argenta L. Poster Exhibit. Effects of sub-atmospheric pressure treatment of tumor necrosis factor-alpha and interleukin-6 levels in patients with extremity compartment syndrome. European Tissue Repair Society Focus Group Meeting on Topical Negative Pressure. London, United Kingdom, December 4-6, 2003.

Kortesis B, Webb K, DeFranzo A, Marks M, Molnar J, Morykwas M, Harris M, Webb L, Argenta L. Poster Exhibit. Vacuum assisted closure for the treatment of open tibia fractures. European Tissue Repair Society Focus Group Meeting on Topical Negative Pressure. London, United Kingdom, December 4-6, 2003.

Webb LX\*. Funded projects. Faculty General Session. Southeastern Fracture Symposium. Greensboro, North Carolina, January 7, 2004.

Webb LX\*. Classification and treatment of hip fractures. Southeastern Fracture Symposium. Nurses' Basic Course. Greensboro, North Carolina, January 9, 2004.

Webb LX\*. Musculoskeletal infection/prevention and treatment. Southeastern Fracture Symposium. Residents' Basic Course. Greensboro, North Carolina, January 9, 2004.

Webb LX\*. Panelist. Thrombosis and orthopaedic trauma. Southeastern Fracture Symposium. Residents' Basic Course. Greensboro, North Carolina, January 9, 2004.

Webb LX\*. Lab Instructor. Distal radius fractures - external fixation and plate fixation. 18th Annual Vail Orthopaedic Symposium 2004, Trauma Update. Vail Colorado, January 22, 2004.

## PRESENTATIONS

Webb LX\*. Workshop. External Fixation Seminar. 18th Annual Vail Orthopaedic Symposium 2004, Trauma Update. Vail, Colorado, January 22, 2004.

Webb LX\*. Workshop. Intramedullary nail femoral and tibial. 18th Annual Vail Orthopaedic Symposium 2004, Trauma Update. Vail, Colorado, January 22, 2004.

Webb LX\*. Lab Instructor. Spanning external fixation for the knee. 18th Annual Vail Orthopaedic Symposium 2004, Trauma Update. Vail, Colorado, Jan 23. 2004.

Webb LX\*. Workshop. Trabecular metal update. 18th Annual Vail Orthopaedic Symposium 2004, Trauma Update. Vail, Colorado, January 23, 2004.

Webb LX\*. Lecture: The role of external fixation in tibial metaphyseal fractures. 18th Annual Vail Orthopaedic Symposium 2004, Trauma Update. Vail, Colorado, January 23, 2004.

Webb LX\*. Lecture. Pilon fractures: pin versus wires. 18th Annual Vail Orthopaedic Symposium 2004, Trauma Update. Vail, Colorado, January 23, 2004.

Webb LX\*. Workshop. MIS instrumentation and implants. 18th Annual Vail Orthopaedic Symposium 2004. Trauma Update. Vail, Colorado, January 24, 2004.

Webb LX\*. Workshop. New concepts plate. 18th Annual Vail Orthopaedic Symposium 2004. Trauma Update. Vail, Colorado, January 24, 2004.

Webb LX\*. Lab Instructor. Femoral ITST fixation. 18th Annual Vail Orthopaedic Symposium 2004, Trauma Update. Vail, Colorado, January 24, 2004.

Webb LX\*. Workshop. Education Committee Meeting. 18th Annual Vail Orthopaedic Symposium 2004, Trauma Update. Vail, Colorado, January 24, 2004.

Webb LX\*. Lab Instructor. Locking plate and blade plate fixation. 18th Annual Vail Orthopaedic Symposium 2004. Trauma Update. Vail, Colorado, January 24, 2004.

Webb LX\*: Lecture: Controversies and Advances in Wound Management. Internal Trauma Course. 71st. Annual Meeting of the American Academy of Orthopaedic Surgeons. San Francisco, California. March 09, 2004.

Webb LX\*. Instructional Course # 104 Moderator. Management of High Energy Soft-Tissue Trauma in Orthopaedics. 71st. Annual Meeting of the American Academy of Orthopaedic Surgeons. San Francisco, California. March 10, 2004.

## PRESENTATIONS

Webb LX\*: Moderator of the Orthopaedic Trauma Association's Coding and Classification Meeting. 71st. Annual Meeting of the American Academy of Orthopaedic Surgeons. San Francisco, California. March 10, 2004.

Webb LX\*. Round Table Discussion: rhBMP-2 Study. 71st. Annual Meeting of the American Academy of Orthopaedic Surgeons. San Francisco, California. March 11, 2004.

Webb LX\*. AVN Investigators Meeting. 71st. Annual Meeting of the American Academy of Orthopaedic Surgeons. San Francisco, California. March 11, 2004.

Webb LX\*.: IDE Study: trabecular Metal Osteonecrosis Intervention Implant. 71st. Annual Meeting of the American Academy of Orthopaedic Surgeons. San Francisco, California. March 12, 2004.

Webb LX\*: Orthopaedic Trauma Association, Specialty Day Lecture: Antibiotic Resistance in Staphylococcal Osteomyelitis. 71st. Annual Meeting of the American Academy of Orthopaedic Surgeons. San Francisco, California. March 13, 2004.

Webb LX\*: Orthopaedic Panel Participant. Kinetic Concepts Inc. San Antonio, Texas, April 30, 2004.

Laverty D\*. Webb LX: Webb LX\*. Orthopaedic Applications of Vacuum Assisted Wound Closure. Kinetics Concepts Inc., New York, May 2004

Webb LX\*: "Medical Errors" Presented at Grand Rounds,, Wake Forest University School of Medicine, Winston-Salem, NC , May 26, 2004.

Webb LX\*. Orthopaedic Applications of Vacuum Assisted Wound Closure. Kinetics Concepts Inc. Charleston, SC. June 3, 2004

Webb LX\*, Dodgin Final. Zimmer Trauma Upper Extremity Course, Orlando, Florida, July 01, 2004.

Webb LX\*; External Fixation. Zimmer Trauma Upper Extremity Course, Orlando, Florida, July 01, 2004.

Webb LX\*: Zimmer 2004 Techniques and Results of Cerclage Wiring with Femoral Fractures. . Zimmer Trauma Upper Extremity Course, Orlando, Florida, July 01, 2004.

Webb, LX\*:. Panelist at Zimmer Trauma Physicians Advisory Group. Indianapolis Indiana, July 15, 2004.

## PRESENTATIONS

Webb, LX\*: Table Instructor. "Spanning frame for plateau and ORIF plateau fracture with periarticular plates." 2004 Trauma Resident's Course, Newport, Rhode Island, November 5, 2004.

Webb, LX\*: Table Instructor. "ORIF of the trimalleolar ankle (including template and ORIF)." 2004 Trauma Resident's Course, Newport, Rhode Island, November 5, 2004.

Webb, LX\*: Table Instructor. "Calcaneus ORIF." 2004 Trauma Resident's Course, Newport, Rhode Island, November 5, 2004.

Webb, LX\*: Lab Leader. "Motor skills challenge." 2004 Trauma Resident's Course, Newport, Rhode Island, November 5, 2004.

Webb, LX\*: Small Group Discussion Leader. " Open fractures with compartment syndrome." 2004 Trauma Resident's Course, Newport, Rhode Island, November 5, 2004.

Webb, LX\*: Small Group Discussion Leader. "Radiology of pelvic ring fractures." 2004 Trauma Resident's Course, Newport, Rhode Island, November 5, 2004.

Webb, LX\*: "Trimalleolar ankle." 2004 Trauma Resident's Course, Newport, Rhode Island, November 5, 2004.

Webb, LX: "Pre-Operative planning with a digital format." 2004 Trauma Resident's Course, Newport, Rhode Island, November 5, 2004.

Webb, LX\*: Table Instructor. "Reverse oblique subtrochanteric fractures.." 2004 Trauma Resident's Course, Newport, Rhode Island, November 6, 2004.

Webb, LX\*: Table Instructor. "Periarticular plating proximal humerus." 2004 Trauma Resident's Course, Newport, Rhode Island, November 6, 2004.

Webb, LX\*: Table Instructor. "Distal humerus with preop template." 2004 Trauma Resident's Course, Newport, Rhode Island, November 6, 2004.

Webb, LX\*: Small Group Discussion Leader. "Radiology of acetabular fractures." 2004 Trauma Resident's Course, Newport, Rhode Island, November 6, 2004.

Webb, LX. Board Review Session Leader. 2004 Trauma Resident's Course, Newport, Rhode Island, November 6, 2004.

Webb, LX\*: Table Instructor. "External fixation of distal radius fractures." 2004 Trauma Resident's Course, Newport, Rhode Island, November 7, 2004.

## PRESENTATIONS

Webb, LX\*: Table Instructor. "ORIF of both bone forearm fractures and olecranon fracture." 2004 Trauma Resident's Course, Newport, Rhode Island, November 7, 2004.

Webb, LX\*: PowerPoint Presentation. "Orthopaedic indications of VAC Assisted Surgery". International conference, Wake Forest University Baptist Medical Center, November 16, 2004.

Webb, LX\*: Panelist. Pelvic and Navigation Symposium. Charlotte, North Carolina, November 16, 2004.

Webb, LX\*: Moderator. External fixation of tibial plafond fractures: Long term and short term. 2004 New York City Trauma Update Meeting. New York City, New York, December 2-5, 2004.

Webb, LX\*: Lab Table Instructor. ITST™ Intertrochanteric /Subtrochanteric Fixation (Morning Session). 2004 New York City Trauma Update Meeting. New York City, New York, December 2-5, 2004.

Webb, LX\*: Lab Table Instructor. ITST™ Intertrochanteric/Subtrochanteric Fixation (Afternoon Session). 2004 New York City Trauma Update Meeting. New York City, New York, December 2-5, 2004.

Webb, LX\*: TransFx™ External Fixation System of tibial plafond fractures: Long term and short term. 2004 New York City Trauma Update Meeting. New York City, New York, December 2-5, 2004.

Webb, LX\*: Chairman. Southeastern Fracture Symposium. Greensboro, North Carolina, January 6-8, 2005.

Webb, LX\*: Chairman, Experienced Orthopaedic Nurses Course at the Southeastern Fracture Symposium. Greensboro, North Carolina, January 6-8, 2005.

Webb, LX\*: Attendee. Southeastern Fracture Symposium Inaugural Meeting. Southeastern Fracture Symposium. Greensboro, North Carolina, January 6, 2005.

Webb, LX\*: Attendee. Research Seminar. Southeastern Fracture Symposium. Greensboro, North Carolina, January 7, 2005.

Webb, LX\*: Lab Director (Morning Session). Proximal humerus fractures. Southeastern Fracture Symposium. Greensboro, North Carolina, January 7, 2005.

Webb, LX\*: Lab Director (Afternoon Session). Proximal humerus fractures. Southeastern Fracture Symposium. Greensboro, North Carolina, January 7, 2005.

## PRESENTATIONS

Webb, LX\*. Lab Instructor (Morning Session). Pinning of the clavicle. Southeastern Fracture Symposium. Greensboro, North Carolina, January 7, 2005.

Webb, LX\*. Lab Instructor (Afternoon Session). Plating of the clavicle. Southeastern Fracture Symposium. Greensboro, North Carolina, January 7, 2005.

Webb, LX\*. Pre-operative planning in the Digital Age. Zimmer Carolinas Annual Kick-Off Meeting. Charlotte, North Carolina, January 15, 2005.

Webb, LX\*. Orthopaedic Trauma- Case Discussions. Zimmer Carolinas Annual Kick-Off Meeting. Charlotte, North Carolina, January 15, 2005.

Webb, LX\*. Locked Plating-Mechanics, Biology and Biology. Zimmer Carolinas Annual Kick-Off Meeting. Charlotte, North Carolina, January 15, 2005.

Webb, LX\*. Vacuum assisted wound closure: Does it work?. 19th Annual Vail Orthopaedic Symposium. Vail, Colorado, January 20, 2005.

Webb, LX\*. Distal tibia fracture: Locking plate fixation. 19th Annual Vail Orthopaedic Symposium. Vail, Colorado, January 20, 2005.

Webb, LX\*. Proximal humeral fracture: Locking plate fixation. 19th Annual Vail Orthopaedic Symposium. Vail, Colorado, January 20, 2005.

Webb, LX\*. Pre-Operative planning on a digital network: History, current status and future benefits. 19th Annual Vail Orthopaedic Symposium. Vail, Colorado, January 23, 2005.

Webb, LX\*. Surgical Debridement/New Technology. Smith & Nephew Wound Management Symposium, Latham Hotel, Washington, DC, February 22, 2005.

Webb, LX\*. Vacuum Debridement Technology. Smith & Nephew Wound Management Symposium, Latham Hotel, Washington, DC, February 22, 2005.

Jones AL, Bucholz RW, Bosse MJ, Mirza SK, Lyon T, Webb LX, Pollak AN, Golden JD, Valentin-Opran A. Poster: rhBMP-2/ACS and Allograft for traumatic tibial fracture defects: A randomized prospective study. 72nd Annual American Academy of Orthopaedic Surgeons Meeting, Washington, DC, February 22-25, 2005.

Webb, LX\*. *Liason* to the Trauma Committee, Orthopaedic Trauma Association. American College of Surgeons, Washington, DC, March 3-4, 2005.

Webb, LX\*. *Attendee*. Southeastern Fracture Symposium Meeting, Charlottesville, VA, April 21-22, 2005.

## PRESENTATIONS

Webb, LX\*. *Consultant*. Zimmer Meetings, Atlanta, Georgia and Jacksonville, Florida, April 28-29, 2005.

Webb, LX\*. Pilon Fractures: Approaches. Foot & Ankle Management - Calcaneal, Talar & Lis Franc Fractures. American Academy of Orthopaedic Surgeons, Charlotte, North Carolina, June 11, 2005.

Webb, LX\*. *Lab Instructor*. Os Calcis fractures. Foot & Ankle Management - Calcaneal, Talar & Lis Franc Fractures. American Academy of Orthopaedic Surgeons, Charlotte, North Carolina, June 11, 2005.

Webb, LX\*. *Lab Instructor*. Talus Fractures. Foot & Ankle Management - Calcaneal, Talar & Lis Franc Fractures. American Academy of Orthopaedic Surgeons, Charlotte, North Carolina, June 11, 2005.

Webb, LX\*. *Lab Instructor*. Pilon Fractures. Foot & Ankle Management - Calcaneal, Talar & Lis Franc Fractures. American Academy of Orthopaedic Surgeons, Charlotte, North Carolina, June 11, 2005.

Webb, LX\*. *Lab Instructor*. LisFranc Injuries. Foot & Ankle Management - Calcaneal, Talar & Lis Franc Fractures. American Academy of Orthopaedic Surgeons, Charlotte, North Carolina, June 11, 2005.

Webb, LX\*. Topical negative pressure for Orthopaedic Trauma. 4th European Topical Negative Pressure Therapy Symposium, Salisbury, United Kingdom, June 18, 2005.

Webb, LX\*. Topical negative pressure for elective Orthopaedic Wounds. 4th European Topical Negative Pressure Therapy Symposium, Salisbury, United Kingdom, June 18, 2005.

Webb, LX\*. Panel. Use of topical negative pressure in trauma. 4th European Topical Negative Pressure Therapy Symposium, Salisbury, United Kingdom, June 18, 2005.

Webb, LX\*. The treatment of orthopaedic problems with the VAC. 91st Clinical Congress of the American College of Surgeons, San Francisco, California, October 17-20, 2005.

O'Toole RV, Castillo RC, Pollak AN, MacKenzie EJ, Bosse MJ, Webb LX, and the LEAP study group. Poster exhibit. 21st Annual Orthopaedic Trauma Association meeting, Ottawa, Ontario, Canada, October 19-22, 2005.

Obremsky WT, Douglas KC, and the SPRINT study group (Webb LX). Poster exhibit. Poster exhibit. 21st Annual Orthopaedic Trauma Association meeting, Ottawa, Ontario, Canada, October 19-22, 2005.

## PRESENTATIONS

Dedmond BT, Kortesis B, Webb LX, WFU VAC Study Group. The use of negative pressure dressings in high energy open tibial shaft fractures. Presented by Dr. Barnaby Dedmond at the 2005 North Carolina Orthopaedic Association 2005 Annual Meeting, Pinehurst, North Carolina, October 29, 2005.

Webb LX. *Presenter*. Management of the high-energy, contaminated open fracture wound. Versajet Meeting sponsored by Smith-Nephew, Jacksonville, Florida, November 10-11, 2005.

Webb LX. *Lab Director, Breakout Session I*. Locking periarticular proximal humeral plate. 2005 New York Trauma Update Meeting, New York City, New York, December 1, 2005.

Webb LX. *Lab Director, Breakout Session II*. Locking periarticular proximal humeral plate. 2005 New York Trauma Update Meeting, New York City, New York, December 1, 2005.

Webb LX. *Lab Director, Breakout Session III*. External fixation of the radius utilizing wristore. 2005 New York Trauma Update Meeting, New York City, New York, December 1, 2005.

Webb LX. *Lab Director, Breakout Session IV*. External fixation of the radius utilizing wristore. 2005 New York Trauma Update Meeting, New York City, New York, December 1, 2005.

Webb LX. *Lab Director, Breakout Session V*. Locked periarticular plating of tibial plateau fractures. 2005 New York Trauma Update Meeting, New York City, New York, December 3, 2005.

Webb LX. *Lab Director, Breakout Session VI*. Locked periarticular plating of tibial plateau fractures. 2005 New York Trauma Update Meeting, New York City, New York, December 3, 2005.

Webb LX. Pilon fractures- External fixation: Temporary or long-term. 2005 New York Trauma Update Meeting, New York City, New York, December 3, 2005.

Webb LX. *Lab Director, Afternoon Session I*. Bridging external fixation: Knee & ankle. 2005 New York Trauma Update Meeting, New York City, New York, December 3, 2005.

Webb LX. *Lab Director, Afternoon Session II*. Bridging external fixation: Knee & ankle. 2005 New York Trauma Update Meeting, New York City, New York, December 3, 2005.

Webb LX. *Course Director/Chair*. Southeastern Fracture Symposium, jointly sponsored by Wake Forest University School of Medicine, Carolinas Medical Center, University of North Carolina School of Medicine, Duke University, and University of Virginia School of Medicine. Meeting location: Greensboro, January 5-7, 2006.

## PRESENTATIONS

Webb LX. Open fracture management/wound management/new techniques. Southeastern Fracture Research Symposium, jointly sponsored by Wake Forest University School of Medicine, Carolinas Medical Center, University of North Carolina School of Medicine, Duke University, and University of Virginia School of Medicine. Meeting location: Greensboro, January 6, 2006.

Webb LX. Femoral shaft fractures. Southeastern Fracture Research Symposium, jointly sponsored by Wake Forest University School of Medicine, Carolinas Medical Center, University of North Carolina School of Medicine, Duke University, and University of Virginia School of Medicine. Meeting location: Greensboro, January 6, 2006.

Webb LX. *Lab Director*. VAC Labs. Southeastern Fracture Research Symposium, jointly sponsored by Wake Forest University School of Medicine, Carolinas Medical Center, University of North Carolina School of Medicine, Duke University, and University of Virginia School of Medicine. Meeting location: Greensboro, January 6, 2006.

Webb LX. Digital pre-operative planning. Southeastern Fracture Research Symposium, jointly sponsored by Wake Forest University School of Medicine, Carolinas Medical Center, University of North Carolina School of Medicine, Duke University, and University of Virginia School of Medicine. Meeting location: Greensboro, January 7, 2006.

Webb LX. *Discussion Leader*. Panel: How to evaluate and incorporate new technology in Orthopaedics. Southeastern Fracture Research Symposium, jointly sponsored by Wake Forest University School of Medicine, Carolinas Medical Center, University of North Carolina School of Medicine, Duke University, and University of Virginia School of Medicine. Meeting location: Greensboro, January 7, 2006.

Webb LX. *Discussion Leader*. OITE Review Session. Southeastern Fracture Research Symposium, jointly sponsored by Wake Forest University School of Medicine, Carolinas Medical Center, University of North Carolina School of Medicine, Duke University, and University of Virginia School of Medicine. Meeting location: Greensboro, January 6, 2006.

Webb LX. *Guest Professor/Lecturer*. The high velocity contaminated open fracture/joint: New techniques. Dinner meeting, Prime Only restaurant, 9800 Leesville Road, Raleigh.. Sponsored by Wake Medical Center/North Carolina State University, Raleigh, North Carolina, January 12, 2006.

Webb LX. *Guest Professor/Lecturer*. Pre-operative planning in the Digital Age. Orthopaedic Trauma Grand Rounds at Wake Medical Center/North Carolina State University, Raleigh, North Carolina, January 13, 2006.

Webb LX. Wound management. 20th Annual Vail Orthopaedic Symposium, Vail, Colorado. Sponsored by Healthstream. January 20, 2006.

## PRESENTATIONS

Webb LX. *Lab Instructor*. Tibial plateau ORIF. 20th Annual Vail Orthopaedic Symposium, Vail, Colorado. Sponsored by Healthstream. January 20, 2006.

Webb LX. *Faculty/Presenter*. Digital pre-operative planning. 20th Annual Vail Orthopaedic Symposium, Vail, Colorado. Sponsored by Healthstream. January 21, 2006.

Webb LX. *Lab Instructor*. Tibial pilon locked lab. 20th Annual Vail Orthopaedic Symposium, Vail, Colorado. Sponsored by Healthstream. January 21, 2006.

Webb LX. *Discussion Leader*. Study group meeting: Computer assisted surgery. Moderator: Mark Loneri. 20th Annual Vail Orthopaedic Symposium, Vail, Colorado. Sponsored by Healthstream. January 21, 2006.

Webb LX. *Discussion Leader*. Plate evaluation meeting. Moderator: Brad Durchotz. 20th Annual Vail Orthopaedic Symposium, Vail, Colorado. Sponsored by Healthstream. January 21, 2006.

Webb LX. *Discussion Leader*. Compliance program advisory surgery board meeting. 20th Annual Vail Orthopaedic Symposium, Vail, Colorado. Sponsored by Healthstream. January 21, 2006.

Webb LX. *Discussion Leader*. CAS Meeting. 20th Annual Vail Orthopaedic Symposium, Vail, Colorado. Sponsored by Healthstream. January 21, 2006.

Webb LX. Wound VAC and topical negative pressure devices. 2006 AAOS Extremity War Injuries Symposium, sponsored by the Journal of the American Academy of Orthopaedic Surgeons, Washington, DC, January 25, 2006.

Webb LX. *Faculty/Presenter*. Complex lower extremity injuries. Presented to the Plastic Surgery residents at Wake Forest University School of Medicine, Winston-Salem, North Carolina, February 1, 2006.

Webb LX. Use of Vacuum Assisted Closure (VAC) for high energy traumatic wounds. Grand Rounds presentation at Triangle Orthopaedics, Durham, North Carolina, February 20, 2006.

Webb LX. Management of high energy soft-tissue trauma in Orthopaedics. 73rd Annual American Academy of Orthopaedic Surgeons, Chicago, Illinois, March 26, 2006.

Webb LX. *Consultant*. Zimmer Product Advisory Group Meeting, Indianapolis, Indiana, June 16-17, 2006.

## PRESENTATIONS

Webb LX. Clinical experience with new modalities in debridement and wound care. 2006 Advanced Technology for Combat Casualty Care (ATACCC), St. Pete Beach, Florida, August 15, 2006.

Webb LX. Adjunctive Antibiotics: What is the current evidence? 22nd Annual Orthopaedic Trauma Association Meeting, Phoenix, Arizona, October 4, 2006.

Webb LX. Changing movement of open fractures. 22nd Annual Orthopaedic Trauma Association Meeting, Phoenix, Arizona, October 7, 2006.

Webb LX. *Discussion Leader /Panel Participant.* Zimmer Computer Assisted Surgery (CAS) Product Advisory Group Meeting, Philadelphia, Pennsylvania, November 2, 2006.

Webb LX. Pre-op lecture: Trimalleolar ankle (including template and ORIF). 2006 Zimmer Resident Program - Trauma Course. Sponsored by Zimmer, Newport, Rhode Island. November 3, 2006.

Webb LX. *Lab Instructor.* Lab 2: ORIF of the Trimalleolar utilizing Zimmer plates and screws. 2006 Zimmer Resident Program - Trauma Course. Sponsored by Zimmer, Newport, Rhode Island. November 3, 2006.

Webb LX. *Lab Instructor.* Lab 4. Motor skills challenge utilizing Zimmer plates and screws. 2006 Zimmer Resident Program - Trauma Course. Sponsored by Zimmer, Newport, Rhode Island. November 3, 2006.

Webb LX. *Discussion Leader.* Small group discussion breakouts: Open fractures with compartment syndrome. 2006 Zimmer Resident Program - Trauma Course. Sponsored by Zimmer, Newport, Rhode Island. November 4, 2006.

Webb LX. *Discussion Leader.* Board review session (Distal Radius). 2006 Zimmer Resident Program - Trauma Course. Sponsored by Zimmer, Newport, Rhode Island. November 4, 2006.

Webb LX. Announce winners of motors skills challenge. 2006 Zimmer Residents - Trauma Course. Sponsored by Zimmer, Newport, Rhode Island. November 4, 2006.

Webb LX. *Course Director.* 2006 Zimmer Resident Program - Trauma Course. Sponsored by Zimmer, Newport, Rhode Island. November 4, 2006.

Webb LX. *Chairman.* 2006 Zimmer Resident Program - Trauma Course. Sponsored by Zimmer, Newport, Rhode Island. November 3-5, 2006.

Webb LX. Pilon fractures- External fixation: Temporary or long-term. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 1, 2006.

## PRESENTATIONS

Webb LX. *Lab Proctor, Lab #1*. Locked periarticular plating of tibial plateau fractures and TransFx external fixation system of the knee. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 1, 2006.

Webb LX. *Lab Proctor (Floater), Lab #1*. Locked periarticular plating for pilon fractures. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 1, 2006.

Webb LX. *Lab Proctor (Floater), Lab #2*. Locked periarticular plating for pilon fractures. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 1, 2006.

Webb LX. *Lab Proctor, Lab #2*. Locked periarticular plating of tibial plateau fractures and TransFx external fixation system of the knee. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 1, 2006.

Webb LX. *Lab Proctor (Floater), Lab #3*. Locked periarticular plating of distal femoral fractures. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 1, 2006.

Webb LX. *Lab Proctor, Lab #3*. ITST Intertrochanteric/Subtrochanteric Fixation. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 1, 2006.

Webb LX. *Lab Proctor, Lab #4*. ITST Intertrochanteric/Subtrochanteric Fixation. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 1, 2006.

Webb LX. *Lab Proctor (Floater), Lab #4*. Locked periarticular plating of distal femoral fractures. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 1, 2006.

Webb LX. *Lab Proctor (Floater), Lab #5*. Locking periarticular distal radial plate. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 2, 2006.

Webb LX. *Lab Proctor, Lab #5*. External fixation of the radius utilizing Wristore- Spanning and nonspanning. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 2, 2006.

Webb LX. *Lab Proctor, Lab #6*. External fixation of the radius utilizing Wristore- Spanning and nonspanning. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 2, 2006.

Webb LX. *Lab Proctor (Floater), Lab #6*. Locking periarticular distal radial plate. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 2, 2006.

## PRESENTATIONS

Webb LX. *Lab Proctor ( Floater), Lab #8.* Locking periarticular proximal humeral plate. 2006 New York Trauma Update Meeting. Sponsored by Zimmer, New York. December 2, 2006.

Webb LX. *Course Director.* 20th Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 11-13, 2007.

Webb LX. *Moderator.* Life threatening orthopaedic injuries. 20th Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 12, 2007.

Webb LX. *Faculty Presenter.* Techniques for soft tissue debridement and management. 20th Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 12, 2007.

Webb LX. *Discussion Leader.* 20th Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 12, 2007.

Webb LX. *Moderator.* Update on high velocity soft tissue injuries. 20th Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 12, 2007.

Webb LX. *Moderator.* Humeral shaft fractures. 20th Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education

## PRESENTATIONS

Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 13, 2007.

Webb LX. *Discussion Leader*. Humeral shaft fractures. 20th Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 13, 2007.

Webb LX. *Moderator*. Surgical planning: New modalities. 20th Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 13, 2007.

Webb LX. *Discussion Leader*. Surgical planning. 20th Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 13, 2007.

Webb LX. Galleazzi Fractures- The road to disaster? 21st Annual Vail Orthopaedic Symposium, Advanced Trauma Update, Vail, CO. Sponsored by Healthstream and Zimmer, Inc. January 17, 2007.

Webb LX. Wound management of tibial fractures. 21st Annual Vail Orthopaedic Symposium, Advanced Trauma Update, Vail, CO. Sponsored by Healthstream and Zimmer, Inc. January 19, 2007.

Tyler HK\*, Webb LX, Wagner W, Carroll D, Coldren F, Smith BP, Smith T. *Poster Presentation*. "Fullerene- A Potential Carrier Molecule For Preventing Biomaterial Related Infection." American Academy of Orthopaedic Surgeons Annual Meeting, San Diego, California, February 14-18, 2007.

Webb LX. Guest speaker. Techniques for wound management: Open fracture high-energy contamination. Sponsored by the Washington Orthopaedic Society, Arlington, Virginia, April 9, 2007.

## PRESENTATIONS

Webb LX. *Chairman*. American Academic of Orthopaedic Surgeons/Orthopaedic Trauma Association Pelvic and Acetabular Fractures: Advanced concepts, details, and improved techniques #3107, Chicago, Illinois. May 4-6, 2007.

Webb LX. *Moderator*. Pelvic fractures: Introduction and acute management. American Academic of Orthopaedic Surgeons/Orthopaedic Trauma Association Pelvic and Acetabular fractures: Advanced concepts, details, and improved techniques #3107, Chicago, Illinois. May 4, 2007.

Webb LX. *Case Presenter & Discusser*. Pelvic fracture (emphasizing resuscitation). American Academic of Orthopaedic Surgeons/Orthopaedic Trauma Association Pelvic and Acetabular Fractures: Advanced concepts, details, and improved techniques #3107, Chicago, Illinois. May 4, 2007.

Webb LX. *Moderator, Live video surgical demonstration*. Percutaneous pelvic fixation including iliosacral screw technique. American Academic of Orthopaedic Surgeons/Orthopaedic Trauma Association Pelvic and Acetabular Fractures: Advanced concepts, details, and improved techniques #3107, Chicago, Illinois. May 4, 2007.

Webb LX. *Faculty*. Anatomy and radiographic landmarks. American Academic of Orthopaedic Surgeons/Orthopaedic Trauma Association Pelvic and Acetabular Fractures: Advanced concepts, details, and improved techniques #3107, Chicago, Illinois. May 4, 2007.

Webb LX. *Lab Instructor, Hands-on surgical skills lab*. ORIF of a both column fracture through the ilioinguinal approach. American Academic of Orthopaedic Surgeons/Orthopaedic Trauma Association Pelvic and Acetabular Fractures: Advanced concepts, details, and improved techniques #3107, Chicago, Illinois. May 5, 2007.

Reddix R, Langfitt M, Smith TL, & Webb LX. *Paper Session*. Microvascular effects of therapeutic topical negative pressure application. Presented at the 2007 Annual Orthopaedic Trauma Association meeting. Listed in the Basic Science Focus Forum program booklet, p. 7. October 16-20, 2007.

Reddix R, Langfitt M, Smith TL, & Webb LX. *Poster #96*. Microvascular effects of therapeutic topical negative pressure application. Presented at the 2007 Annual Orthopaedic Trauma Association meeting. Listed in the 2007 OTA Program booklet, p. 275. October 16-20, 2007.

Reddix RN, Leng I, Dedmond B, Woodall J, Jackson B, Kulp B. *Poster #49*. The effect of negative pressure therapy on wound complications after acetabular fracture surgery. Presented at the 2007 Annual Orthopaedic Trauma Association meeting. Listed in the 2007 OTA Program booklet, p. 50, 226. October 16-20, 2007.

## PRESENTATIONS

Reddix RN, Russell GB, Dedmond B, Woodall J, Kulp B, Jackson B, Webb LX. *Poster # 54.* The relationship between intraoperative femoral head bleeding and the development of avascular necrosis after acetabular fracture surgery. Listed in the 2007 OTA Program booklet, p. 231. October 16-20, 2007.

Bhandari M, SPRINT Investigators. *Paper #21.* A randomized trial of reamed versus non-reamed intramedullary nail insertion on rates of reoperation in patients with fractures of the tibia. Listed in the 2007 OTA Program booklet, p. 116-7. October 16-20, 2007.

Bhandari M, Tornetta P. Functional, general, and disability outcomes after tibial nailing: a randomized trial. Listed in the 2007 OTA Program booklet, p. 118-9. October 16-20, 2007.

Webb LX. Pre-op planning lecture: Trimalleolar ankle. 2007 Residents program trauma course. Sponsored by Zimmer, Newport, Rhode Island, November 2, 2007.

Webb LX. *Lab 1:* ORIF of the trimalleolar utilizing Zimmer plates and screws. 2007 Residents program trauma course. Sponsored by Zimmer, Newport, Rhode Island, November 2, 2007.

Webb LX. *Moderator.* Small group discussion breakout. Open fractures with compartment syndrome. 2007 Residents program trauma course. Sponsored by Zimmer, Newport, Rhode Island, November 2, 2007.

Webb LX. *Moderator.* Foot session. 2007 Residents program trauma course. Sponsored by Zimmer, Newport, Rhode Island, November 2, 2007.

Webb LX, Brumback R. *Lab 4.* Motor skills challenge utilizing Zimmer plates and screws. 2007 Residents program trauma course. Sponsored by Zimmer, Newport, Rhode Island, November 2, 2007.

Webb LX. *Moderator.* Humerus session. 2007 Residents program trauma course. Sponsored by Zimmer, Newport, Rhode Island, November 3, 2007.

Webb LX. *Facilitator: Board review session.* 2007 Residents program trauma course. Sponsored by Zimmer, Newport, Rhode Island, November 3, 2007.

Punger KW, Jackson JB, Webb LX, Barnes CE\*. *Electronic poster.* Classification of acetabular fractures using plain film, computed tomography, and volume rendered computed tomography imaging techniques. Exhibited at the Radiologic Society of North America Scientific Assembly and Annual Meeting, November 25-30, 2007.

Webb LX. Grand Rounds at Drexel University. Sponsored by Drexel University, Philadelphia, Pennsylvania, November 28, 2007.

## PRESENTATIONS

Jackson JB, Webb L, Dedmond B, Pastrano JA, Barnes CE\*. Three-dimensional volume rendered CT views for acetabular fractures: Can they replace plain films? Presented at the Radiologic Society of North America Scientific Assembly and Annual Meeting, Chicago, Illinois, November 28, 2007.

Webb LX. Pilon Fractures – External fixation: Temporary or long-term. 2007 New York Trauma Update Course. Sponsored by Zimmer, New York, November 30, 2007.

Webb LX. Proctor, Breakout Lab 1: Locked periarticular plating of tibial plateau fractures and TransFx external fixation. 2007 New York Trauma Update Course. Sponsored by Zimmer, New York, November 30, 2007.

Webb LX. Proctor, Breakout Lab 2: Locked periarticular plating of tibial plateau fractures and TransFx external fixation. 2007 New York Trauma Update Course. Sponsored by Zimmer, New York, November 30, 2007.

Webb LX. Proctor, Breakout Lab 3: ITST Intertrochanteric/Subtrochanteric fixation. 2007 New York Trauma Update Course. Sponsored by Zimmer, New York, November 30, 2007.

Webb LX. Proctor, Breakout Lab 4: ITST Intertrochanteric/Subtrochanteric fixation. 2007 New York Trauma Update Course. Sponsored by Zimmer, New York, November 30, 2007.

Webb LX. Proctor, Breakout Lab 5: Polyaxial plating options utilizing Zimmer non-contact bridging plating system. 2007 New York Trauma Update Course. Sponsored by Zimmer, New York, December 1, 2007.

Webb LX. Proctor, Breakout Lab 6: Polyaxial plating options utilizing Zimmer non-contact bridging plating system. 2007 New York Trauma Update Course. Sponsored by Zimmer, New York, December 1, 2007.

Webb LX. Supracondylar humeral fractures/ORIF utilizing periarticular plating. 2007 New York Trauma Update Course. Sponsored by Zimmer, New York, December 1, 2007.

Webb LX. *Meeting Chairman*. 21st Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Charleston, South Carolina. January 16-19, 2008.

Webb LX. *Moderator*. The latest management of femoral fractures. 21st Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University

## PRESENTATIONS

of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Charleston, South Carolina. January 18, 2008.

Webb LX. *Moderator*. Fixation for distal radius fractures. 21st Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 19, 2008.

Webb LX, Hartsock L. *Lab Instructor, Lab Session 3, Group E.* Fixation of distal radius fractures: External fixation. 21st Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 19, 2008.

Webb LX, Mutty C. *Faculty Presenter*. Steinman pin & skeletal traction. 21st Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 19, 2008.

Webb LX, Mutty C. *Faculty Presenter*. External fixation management – assessment for loose frame and pins – Pin care. 21st Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Greensboro, North Carolina. January 19, 2008.

Webb LX. Faculty. Industry Session 1: Update on bone grafts and bone graft substitutes. 8th Annual AAOS/OTA Orthopaedic Trauma Update #3216, St. Augustine, Florida. April 24, 2008.

Webb LX. Faculty. Industry Session 2: Update on bone grafts and bone graft substitutes. 8th Annual AAOS/OTA Orthopaedic Trauma Update #3216, St. Augustine, Florida. April 24, 2008.

## PRESENTATIONS

Webb LX. Faculty. Industry Session 3: Update on bone grafts and bone graft substitutes. 8th Annual AAOS/OTA Orthopaedic Trauma Update #3216. Sponsored by the Musculoskeletal Foundation. St. Augustine, Florida. April 25, 2008.

Webb LX. Faculty. Industry Session 4: Update on bone grafts and bone graft substitutes. 8th Annual AAOS/OTA Orthopaedic Trauma Update #3216. Sponsored by the Musculoskeletal Foundation. St. Augustine, Florida. April 25, 2008.

Webb LX. Faculty. Biology of open fracture wounds: Implication for treatment. Basic Science Forum at the 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO, October 15, 2008.

SPRINT Investigators (including Webb LX). A comparison of the discriminative ability and responsiveness of the short musculoskeletal function assessment questionnaire function index and the short Form-36 physical summary score among tibial fracture patients, Paper #8. *Presentation*. Session II: Tibia/Polytrauma. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO. Program booklet p. 30, October 16, 2008.

SPRINT Investigators (including Webb LX). Tibia/Polytrauma, Paper #8. A comparison of the discriminative ability and responsiveness of the short musculoskeletal function assessment questionnaire function index and the short form-36 physical summary score among tibial fracture patients. 24th Annual Orthopaedic Trauma Association, Denver, CO. Program booklet, p. October 16, 2008.

Southeast Fracture Consortium (including Webb LX), Obrebskey WT. A prospective multicenter study of intramedullary nailing versus casting of stable tibial fractures. *Presentation*. Session II: Tibia/Polytrauma. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO. Program booklet October 16, 2008.

Webb LX. Lab Instructor. Distal humerus Lab, *Rotation #1*. Comprehensive Fracture Course for Residents at the 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO, October 17, 2008.

Webb LX. Lab Instructor. Distal humerus Lab, *Rotation #2*. Comprehensive Fracture Course for Residents at the 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO, October 17, 2008.

Southeast Fracture Consortium (including Webb LX), Obrebskey WT. *Presentation*. Maintenance of hardware after early postop infection following fracture internal fixation, Paper #43. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO. Program booklet, p. 137. October 17, 2008.

## PRESENTATIONS

Southeast Fracture Consortium (including Webb LX), Obremskey WT. Maintenance of hardware after early postop infection following fracture internal fixation, Paper #43. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO. Program booklet, p. 188. October 17, 2008.

Southeast Fracture Consortium (including Webb LX), Obremskey WT. Prospective cohort trial of external fixation versus internal fixation of distal tibia plafond fractures, Paper #56. *Presentation*. Session VII: Foot & Ankle/Pediatrics. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO. Program booklet, p. 203. October 18, 2008.

Cannada LK, Taylor R, Reddix RN, Mullis B, Moghadamian E, Southeast Fracture Consortium (including Webb LX). *Poster #53*. Morbidity and mortality of open pelvic fractures using the Jones-Powell classification. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO. Program booklet, p. 295, October 15-17, 2008.

Southeast Fracture Consortium (including Webb LX), Obremskey WT. A prospective multicenter study of intramedullary nailing versus casting of stable tibial fractures, Paper #6. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO, October 15-17, 2008.

Southeast Fracture Consortium (including Webb LX), Obremskey WT. Prospective cohort trial of external fixation versus internal fixation of distal plafond fractures, Paper #56. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO. Program booklet p. 137. October 15-17, 2008.

Aragon AB, Bulken-Hoover, Jackson WM, Onodera J, Nesti, Tuan RS. *Poster #39*. The Cytokine profile of blast-injured muscle tissue and how it relates to heterotopic ossification. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO. Program booklet, p. 279. October 15-17, 2008.

Loeffler BJ, Bosse MJ, Kellam JF, Sims SH, Brady W, Sofianos D, Obremskey WT, Cannada LK. *Poster #61*. Short to intermediate term outcomes after treatment of femoral head fractures associated with acetabular fractures. 24th Annual Orthopaedic Trauma Association Meeting, Denver, CO. Program booklet, p. 305. October 15-17, 2008.

Webb LX. *Foundation Board Meeting*. 22nd Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill School of Medicine, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Nashville, Tennessee. January 15, 2009.

## PRESENTATIONS

Webb LX. *Research coordinators networking/brainstorming session for effective-study management*. 22nd Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill School of Medicine, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Nashville, Tennessee. January 15, 2009.

Webb LX. Open fractures- New ideas. 22nd Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill School of Medicine, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Nashville, Tennessee. January 16, 2009.

Webb LX. Lab instructor: Missed injuries (Session 3). 22nd Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill School of Medicine, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Nashville, Tennessee. January 16, 2009.

Webb LX. Lab instructor: Tibia & Humerus (Session 8). 22nd Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill School of Medicine, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Nashville, Tennessee. January 16, 2009.

Webb LX. Lab instructor: Pelvis (Session 10). 22nd Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill School of Medicine, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Nashville, Tennessee. January 16, 2009.

## PRESENTATIONS

Webb LX. Infection - Chronic (Session 11). 22nd Annual Southeastern Fracture Symposium. Jointly sponsored by the Southeastern Fracture Consortium Foundation, Carolinas Medical Center, UNC- Chapel Hill School of Medicine, Duke University School of Medicine, University of Virginia School of Medicine, Wake Forest University School of Medicine, Northwest Area Health Education Center (AHEC) of Wake Forest University School of Medicine, and a part of the North Carolina AHEC program, Nashville, Tennessee. January 16, 2009.

Webb LX. *Panelist*. Session III: Parallel research efforts in the civilian sector. Extremity War Injuries IV: Collaborative efforts in research, host nation care and disaster preparedness, Washington, DC, January 22, 2009.

Webb LX. A protocol to improve outcomes of high energy, contaminated wounds. Session IV: Orthopaedic extremity trauma research program (OETRP): Program status and research projects. Extremity War Injuries IV: Collaborative efforts in research, host nation care and disaster preparedness, Washington, DC, January 22, 2009.

Webb LX. *Panelist*. Session IV: Orthopaedic extremity trauma research program (OETRP): Program status and research projects. Extremity War Injuries IV: Collaborative efforts in research, host nation care and disaster preparedness, Washington, DC, January 22, 2009.

Webb LX. *Panelist*. Session VB: NGO care of host nation civilian casualties. Extremity War Injuries IV: Collaborative efforts in research, host nation care and disaster preparedness, Washington, DC, January 23, 2009.

Webb LX. Faculty. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, January 31 - February 3, 2009.

Webb LX. *Lab Leader* (Tables 5, 6, & 7). Practical Exercise I: Reduction techniques with illustrative hands on models. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, January 31, 2009.

Webb LX. *Lab Leader* (Tables 5, 6, & 7). Practical Exercise II: Absolute stability (1. Axial compression with plates, 2. oblique fracture: lag through plate, & olecranon fixation). AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, January 31, 2009.

Webb LX. *Moderator*. Module 3: Principles - Relative stability. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 1, 2009.

Webb LX. *Moderator*. Practical Exercise III: Relative stability (A. Bridge plating - Application of locked plates and evaluation of stability & B. Relative Stability - External Fixation). AO

## PRESENTATIONS

North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 1, 2009.

Webb LX. *Discussion Group Leader*. Module 4: Review of principles and decision making. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 1, 2009.

Webb LX. *Lab Leader* (Tables 5, 6 & 7). Practical Exercise IV: Preoperative planning-forearm model. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 1, 2009.

Webb LX. *Lab Leader* (Tables 5, 6 & 7). Moderator: Dirk Kiner, M.D.. Practical Exercise V: Fixation of radius/ulna-forearm. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 1, 2009.

Webb LX. *Lab Leader* (Tables 5, 6, & 7). Moderator: Mark Lee, M.D. Practical Exercise V: Fixation of radius/ulna-forearm. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 1, 2009.

Webb LX. *Lab Leader* (Tables 5, 6, & 7). Practical Exercise VI: Intramedullary Nailing. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 2, 2009.

Webb LX. Intracapsular hip fracture (lecture). Module 6: Lower extremity - Articular fractures. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 2, 2009.

Webb LX. *Panelist*. Module 6: Lower extremity - Articular fractures. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 2, 2009.

Webb LX. *Lab Leader* (Tables 5, 6 & 7). Practical Exercise VII: Ankle fractures - Type C Malleolar. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 2, 2009.

Webb LX. *Discussion Group Leader*. Diaphyseal fractures. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 2, 2009.

Webb XL. Lab Leader (Tables 5, 6, & 7). Practical Exercise VIII: Fractures of the Hip (A. Compression hip screw & B. Cannulated screw fixation). AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 2, 2009.

## PRESENTATIONS

Webb LX. *Moderator*. Practical Exercise VIII: Fractures of the hip (A. Compression Hip Screw & B. Cannulated screw fixation). AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 2, 2009.

Webb LX. *Lab Leader*. Module 6 (Tables 5, 6, & 7): Upper extremity - Articular fractures. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 2, 2009.

Webb LX. *Lab Leader*. Module 7 (Tables 5, 6, & 7): Special fracture problems. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 2, 2009.

Webb LX. *Discussion Group Leader*. Discussion Group Three: Special articular fractures. AO North America Basic Principles and Techniques of operative fracture management course, Charlotte, North Carolina, Sunday, February 3, 2009.

Webb LX. *Instructor*. Operative treatment of acetabular fractures (Course no. AM09-183). 2009 Annual American Academy of Orthopaedic Surgeon's Meeting, Las Vegas, Vegas, February 25, 2009.

Webb LX. *Instructor*. Management of high energy soft tissue trauma in Orthopaedics (Course no. AMO9-272). 2009 Annual American Academy of Orthopaedic Surgeon's Meeting, Las Vegas, February 26, 2009.

Webb LX. *Evaluator*. Management of pelvic fractures (Course no. AM09-311). 2009 Annual American Academy of Orthopaedic Surgeon's Meeting, Las Vegas, February 27, 2009.

Webb LX. *Moderator*. New concepts in wounds management program. 2009 Annual American Academy of Orthopaedic Surgeon's Meeting, Las Vegas, February 28, 2009.

Webb LX. *Moderator*. Introduction and preliminary feedback from audience. New concepts in wounds management program. 2009 Annual American Academy of Orthopaedic Surgeon's Meeting, Las Vegas, February 28, 2009.

Webb LX. *Instructor*. Instructional Course Lecture Use of VAC combined with other modalities- Versajet, antibiotic beads, BMP, Ag dressings, application tips and tricks. New concepts in wounds management program. 2009 Annual American Academy of Orthopaedic Surgeon's Meeting, Las Vegas, February 28, 2009.

## PRESENTATIONS

Garrett, JP, Webb, LX, Veneziano, JA and Carroll, E Value of Three Dimensional Computed Tomography in Classifying Acetabular Fractures during Orthopaedic Residency Training OTA Annual Meeting, October 2009

Webb LX. *Instructor*. Harborview Alumni Scientific Symposium, University of Washington, Seattle, Washington, July 30, 2010

Webb LX. *Instructor*. Soft Tissue Management. 9<sup>th</sup> Annual Southeast Trauma Symposium, Destin, Florida, August 5, 2010

Webb LX. *Instructor*. Update on Infection. 9<sup>th</sup> Annual Southeast Trauma Symposium, Destin, Florida, August 5, 2010

Webb LX. *Instructor*. Infection. AAOS Board of Maintenance of Certification Preparation and Review, San Francisco, California, November 17, 2010

Webb LX. *Instructor*. Open Fracture – New Ideas, Southeastern Fracture Symposium, Baltimore, Maryland, January 20-22, 2011

Webb LX. *Group Discussion Leader*, Southeastern Fracture Symposium, Baltimore, Maryland, January 20-22, 2011

Webb LX. *Instructor*. Negative Pressure Treatment of Wounds, Southeastern Fracture Symposium, Baltimore, Maryland, January 20-22, 2011

Webb LX. *Course Moderator*. Trauma Course – Periprosthetic Fractures, Geriatric Fracture, Nonunions, Miami, Florida, January 28, 2011

Webb LX. *Instructor*. Soft Tissue Management in Orthopaedic Trauma, American Academy of Orthopaedic Surgeons Annual Meeting, San Diego, California, February 15, 2011

Webb LX. *Lab Instructor*. Atlanta/New Orleans Trauma Course, February 25, 2011

Webb LX. *Small Group Discussion Leader*. Atlanta/New Orleans Trauma Course, February 25, 2011

Webb, LX. *Course Co-Chair*, 2011 Atlanta Trauma Symposium: Cutting-Edge for the Community Fracture Surgeon, Atlanta, Georgia, May 13-14, 2011.

Webb, LX. *Course Co-Chair*, 2011 Trauma Resident Program, Newport, Rhode Island, November 4 2011.

Webb, LX. *Instructor*. Preoperative Planning & Templating. 2011 Trauma Resident Program, Newport, Rhode Island, November 4, 2011.

## PRESENTATIONS

Webb, LX. *Table Instructor*. Knee Spanning - Competition, Trauma Resident Program, Newport, Rhode Island, November 4, 2011

Webb, LX. *Instructor*. Challenging Cases, Trauma Resident Program, Newport, Rhode Island, November 4, 2011

Webb, LX. *Table Instructor*. Sawbones Lab - NCB & ZPLP - Distal Femur, Trauma Resident Program, Newport, Rhode Island, November 4, 2011

Webb, LX. *Panel Instructor*. Avoiding Non-Unions, Trauma Resident Program, Newport, Rhode Island, November 5, 2011

Webb, LX. *Instructor*. Proximal & Mid-shaft humeral Fractures, Trauma Resident Program, Newport, Rhode Island, November 5, 2011

Webb LX. *Faculty Chairperson*, 25<sup>th</sup> Annual Southeaster Fracture Symposium, Durham, North Carolina January 26-28, 2012.

Webb LX. *Instructor*, Failures of Fixation - What Do I Do Next? 25<sup>th</sup> Annual Southeaster Fracture Symposium, Durham, North Carolina January 27, 2012.

Webb LX. *Instructor*, Negative Pressure Treatment of Wounds, 25<sup>th</sup> Annual Southeaster Fracture Symposium, Durham, North Carolina January 28, 2012.
