Kathleen Culhane
Chief Operating Officer
Angiology Corporation of America
104 Woodmont Blvd, Suite 404
Nashville, TN 37205

Dear Kathleen,

Thank you for your participation at The Tennessean's employee Wellness fair last week. The employees found the information interesting and motivational. 120 employees completed an evaluation form and we estimate that we had about 140 employees attend the fair. Yourself, Heather and your staff were very personable, knowledgeable and professional and I know several employees now have a greater interest in the care of their heart.

Thank you again for your efforts in making the Wellness fair an outstanding success and we hope to work with you again in 2006.

Sincerely,

Helen Jacobs
Human Resources Manager
The Tennessean
