

Atrium Health Navicent is pleased to provide a Speakers Bureau to answer questions on various health related topics. Our knowledgeable healthcare professionals will share their expertise with your organization. The Speakers Bureau is offered free of charge to those in our primary service area and is just one of the many ways Atrium Health Navicent gives back to our community.

SPEAKERS BUREAU GUIDELINES

1. Depending on staffing/resources, we may need to limit free speaking engagements to two per year, however, we will try to accommodate all requests.
2. Speakers and topics are subject to availability. We request you submit your "Request for Speaker" 2-4 weeks in advance.
3. All Speakers Bureau presentations will be processed through the Healthy Communities Speakers Bureau application. This is for purposes of tracking and scheduling.
4. Organizations will receive and complete an evaluation form post-presentation. These evaluation forms will be mailed prior to the event.
5. We request a 72-hour minimum notice for all cancellations of any event.
6. We cannot travel more than 25 miles from Atrium Health Navicent for any speaking requests.
